ACAPULCO REPLICA SIDE TABLE BLACK

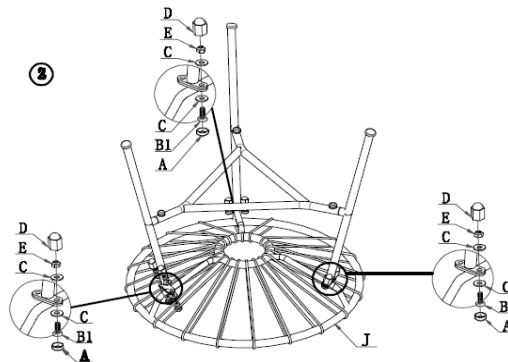

Please read instructions carefully. Remove all parts from the carton. Be sure you have all parts before you start assembling. Place all parts on the clean and flat soft surface, such as carpet or rug to prevent from being scratched.

Part		QTY
A		9
B	 M6x12L	3
B1	 M6x15L	6
C	 M6	15
D		6
E	 M6	6
F		1
G		1
H		3
I		1
J		1
K		1

STEP 1: Fasten each leg (Part H) with connector on support tube (Part I) by screws (Part C, B, A). Do not tighten all screws until assembly is completed.

STEP 2: Place the table top (Part J) on to a non-abrasive surface, such as a carpet, with the underside facing upwards. Fasten the legs & support tube (STEP 1) with the tube on the table top by screws (Part A, B1, C, E, D). Do not tighten all screws until assembly is completed.

STEP 3: Make sure all the screws have been tightened completely, and then turn the table upright. Adjust position of suction cup, then put the glass (Part K) on the table top. Ensure the glass top is secured by the suction cups.

WARNING!

- 1) Do not place very hot or very cold items on the glass surface unless adequately thick table mats are used to prevent such items from coming into contact with the glass
- 2) Do not sit or stand upon the glass surface.
- 3) Do not use the glass as a chopping surface.
- 4) Do not strike the glass with hard or pointed items
- 5) Use only on even surface.
- 6) Before use ensure all bolts and screws are firmly secured.
- 7) When cleaning the glass surface use a damp cloth with liquid detergent or a window cleaner. Do not use washing powders or any other substances containing abrasives as these may scratch the glass surface.
- 8) Maximal safe loading weight: 30kg

Instruction for suction cup

- 1) Clean the glass surface and suction cup with warm water and leave the surface to dry thoroughly before attaching the suction cup.
- 2) Press suction cup 2-3 seconds to eliminate the air.
- 3) Make sure it is firmly attached to the contact surface before use.
- 4) Always check if the suction cups function well.
- 5) Handling with care, do not hold the glass when delivering.
- 6) Always check if the glass is secured by the suction cups, adjust the suction cup if it is not secured.

Failure to follow these warning may result in product failure or personal injury
