

210x285mm

FOLDABLE PET CARRIER

1. Lay the pet carrier flat on the floor. Gently pull the left and right panels of the pet carrier to the vertical position.

2. Reach inside to grasp the two piece top bar with both hands. Gradually pull the two bars upward so that they join each other. See fig 1. Slide the closure sleeve over the connection until it is fully extended and frame is rigid. Repeat the same process for the other side.

KEYCODE: 42628378

DESCRIPTION: FOLDABLE PET CARRIER
