

# SOLAR CRACKLE TABLE LIGHT

Keycode:42754398

## Directions:

1. Unscrew the globe from the base.
2. Turn the OFF/ON switch to "ON" position. You will only need to do this once, as the solar panel will turn the light on and off automatically.
3. Screw the globe back onto the base.
4. Place item in a sunny position

## Specification:

Solar Panel: 35x35mm Amorphous

1x AAA Ni-CD rechargeable battery 1.2V, 200mAh

## IMPORTANT:

- Charge battery for at least 8 hours before first use.
- The solar light panel **MUST** be placed in a well-lit location for maximum sunlight. Anything that shades the panel will affect the brightness and lighting duration
- Put the switch on the "OFF" position when not in use or in the box during transportation.
- Use a damp cloth to clean it when there is a buildup of dust and/or dirt on the surface of the solar panel.
- Do not dispose of light with domestic waste , please take to a collection point for recycling.

**WARNING: FOR DECORATION ONLY. THIS IS NOT A TOY. DO NOT ALLOW CHILDREN TO PLAY WITH AND HANDLE LIGHT SETS.**
