

Instruction Manual

Keycode: 43015856

WET&DRY Vacuum Cleaner

Please read all the information carefully before you use the device to avoid accidents and keep it for future reference.

Specification

Power Source: DC12V 5A Max

Suction Power: 4-4.5kPa

Motor rating: 60W

Cord length: 4.2m

Operation Instructions

1. Start the car or other 12V DC power supply equipment.
2. Plug the power cord plug into the cigarette lighter.
3. Select a suitable vacuum cleaner suction nozzle according to the user environment.
4. Handle the vacuum cleaner, push forward the power switch to open the vacuum cleaner and start to clean.
5. After using, push back the switch, turn off the vacuum cleaner. Press the dust collection button and remove the dust cover to take out the filter. Shake off the dust or rinse with water. It uses HEPA filter, it needs to dry out after cleaning. DO NOT immerse the motor in water.
6. Collecting power lines and vacuum cleaner to finish the vacuum cleaning operation.

Attention:

1. Do not close to the heating dissipating hole or suction outlets during use.
2. Never dismantle the product without due permission, else this may nullify warranty clauses.
3. The dry and wet application can quickly suck the dry matter and few spilled liquid inside the car (except corrosive, flammable and explosive liquid). Do not expose this unit to rain.
4. Make sure the HEPA filter intact before use. The HEPA filter needs to be cleaned every time and dry completely after use.
5. Don't use in the Conditions near the heater or high-temperature place.
6. 10 minutes rest after keeping running 20 minutes to prevent motor heating.

Fuse Replacement:

This appliance is fitted with a 10A fuse located in the cigarette lighter plug. Should the fuse need replacing, unscrew the end cap and replace it with an equivalent fuse.

Caution: For continued protection against the risk of fire, the replacement fuse should be the same type and rating as the original fuse.

DO NOT vacuum up lit cigarette butts as this may cause fires or damage the filter.

Not for commercial or industrial use.

12 Month Warranty

Thank you for your purchase from Kmart.

Kmart Australia Ltd warrants your new product to be free from defects in materials and workmanship for the period stated above, from the date of purchase, provided that the product is used in accordance with accompanying recommendations or instructions where provided. This warranty is in addition to your rights under the Australian Consumer Law.

Kmart will provide you with your choice of a refund, repair or exchange (where possible) for this product if it becomes defective within the warranty period. Kmart will bear the reasonable expense of claiming the warranty. This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse or neglect.

Please retain your receipt as proof of purchase and contact our Customer Service Centre on 1800 124 125 (Australia) or 0800 945 995 (New Zealand) or alternatively, via Customer Help at Kmart.com.au for any difficulties with your product. Warranty claims and claims for expense incurred in returning this product can be addressed to our Customer Service Centre at 690 Springvale Rd, Mulgrave Vic 3170.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

For New Zealand customers, this warranty is in addition to statutory rights observed under New Zealand legislation.
