

GLOW IN THE DARK AERIAL LOOPS TRACK

3+ YEARS

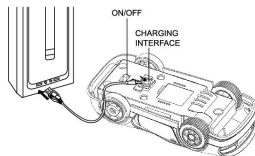

INSTRUCTIONS

CURVE GUARDRAIL ASSEMBLY:

BATTERY CHARGE INSTRUCTION:

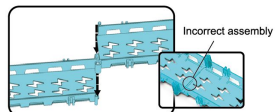

Attention: Do not charge battery immediately after each play, allow the battery to cool down.

1. Turn off car.
2. Connect USB charging cable plug with car charging interface.
3. Plug the cable into the computer USB interface. The USB indicator lights up when it has started charging.
4. Once the indicator extinguishes, the battery is fully charged. Unplug the USB charging cable from computer USB interface and disconnect from car.

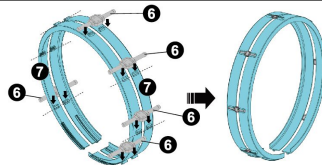

TRACK ASSEMBLY:

Lay out track pieces first before connecting. Make sure all track pieces are right side up with raised side walls on top. Assemble track by connecting ends together. Make sure connections are smooth when assembled.

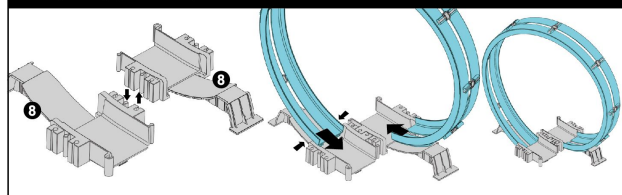

To configure track as shown, match the track piece numbers to the location on the diagram.

LOOP ASSEMBLY:

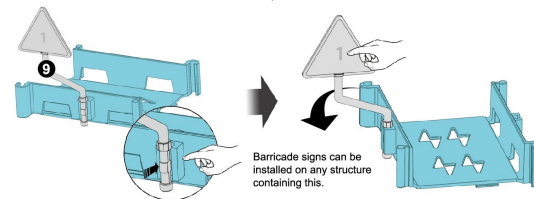

BASE ASSEMBLY:

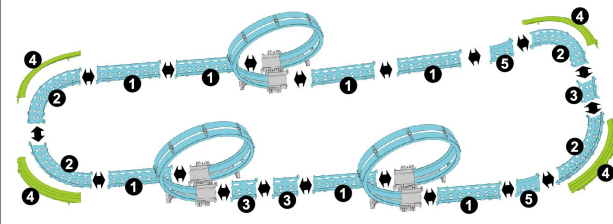

ROADBLOCK SIGNS ASSEMBLY:

1. Install the barricade accessories by pressing the thinner cross-section of the barricade mark into the round buckle on one side of the track, and then rotating it 90 degrees.
2. Barricade accessories can be installed on any accessories that include this structure in the view below.
3. The numbers on the barricade accessories correspond to the numbers on the stickers.
