3. Stand

AR GLOBE
Educational activities

App Download

Scan the QR Code to download
the Devar App AR
Educational Platform

App Launch

STEP 1

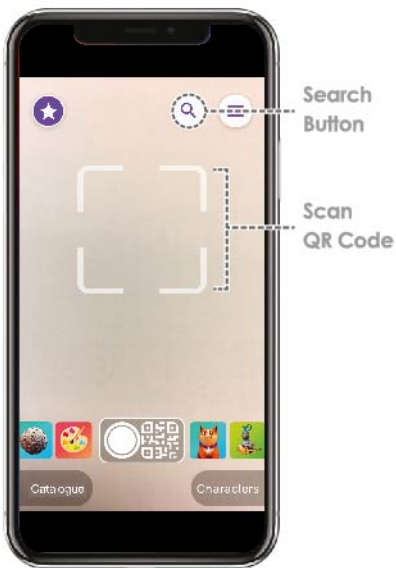

Open Devar App, scan the QR Code below or type 'AR Globe' in the search bar to download content

AR GLOBE

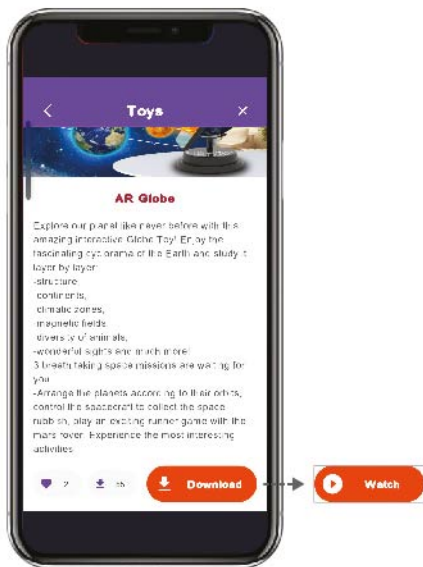

Educational activities

STEP 2

Press Download and Watch buttons to begin

STEP 3

Select your
language preference

STEP 4

Activate the AR effect by pointing the camera to the globe

TIPS

If you are not able to activate the AR, try the following:

- 1) Slightly move your device closer to the globe, and make sure the patterns on the stand are in sight.
- 2) Make sure the globe has been placed in a well lit environment. Avoid any strong light reflection.
- 3) Place the globe on a flat and steady surface.

AR Globe App Interface

- 1) Back: Return to menu page
- 2) Language: Select language
- 3) Refresh: Refresh the AR model
- 4) The Globe: Rotate and observe the Earth in different angles
