WARNING:

CHOKING HAZARD - Not suitable for children under 3 years due to small parts. Use of this product by children should be supervised by an adult. Do not ingest.

WARNING: BURN HAZARD. THE IRONING MUST BE DONE BY AN ADULT. SOME IRONS MAY PRODUCE STEAM, KEEP CHILDREN AT A SAFE DISTANCE TO AVOID INJURY

Follow these steps to build your melty bead design.

1. Using a flat surface for your peg board, place individual beads on a melty bead peg board one by one to create your design. Follow a melty bead picture or create your own design.

CAUTION: Ensure not to leave any dropped or unused beads where small children can find and pick it up.

2. Ask an adult to melt your bead design together with an iron (not included).

Adult ironing instructions: Pre-heat the iron, ensuring the Steam function is disabled. Place the ironing paper over the design, and gently iron the beads in a circular motion for 10-15 seconds. Be sure to apply even pressure across the design and keep the iron level.

CAUTION: Do not allow children to touch the beads while hot.

3. Once the design has cooled, peel off the ironing paper. Remove the design from the reusable melty bead peg board. Following the same ironing instructions turn the design over, lay the ironing paper over the design, and melt the other side evenly.

CAUTION: Ensure to turn the iron off after use, Never leave an iron on while not in use.
