100 Craft Activities

INCLUDES:
15 x A5 colouring sheets
20 x A4 colouring sheets

6+

1 Colour the paper sheets with your favourite colours.

2 Paste the stencil on paper and draw along the edge with colour markers.

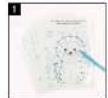

3 Use the scratch stick to scratch your colour to patterns on the scratch sheet.

4 Pick out a set of paper cards and stick each gem onto the bigger paper card with white glue.

6 x colouring activity game cards

1 Complete the activity game cards with colour markers.

2 Decorate the paper mask with colour pencils or colour markers as you like. Thread each end of the elastic cord through the paper mask side holes and tie the end of the elastic cord at the desired length.

3 Decorate the scene with the sticker sheet as needed.

4 Open the flap to remove the plastic chipper and place the card back on. Create the final card and glue the sides to release any glue.

8 x wooden peg puppets

contents: 2 x paper cards, 8 x wooden pegs

1 Pick out a set of paper cards and colour the wooden pegs with your colour markers. Then and until the ink has dried.

2 Stick the end portion on each side of the wooden peg with double-sided tape. Repeat the position of the paper card to make the pattern more visible. Now you can proceed to complete.

3 Repeat to complete the other puppets.

1 Roll out a set of paper cards and paper sheet. Fold the paper sheet back and forth along the dashed line.

2 Apply white glue to the ends of the paper sheet and stick them to each part of the striped body respectively.

3 Now your origami animals is complete. Repeat to complete the other origami animals.

1 Cut out a set of paper cards and paper sheet. Fold the paper sheet back and forth along the dashed line.
