

148mm (5.83")

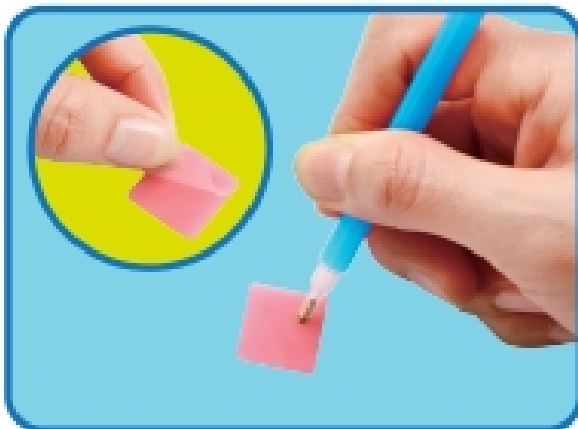

Make Your Own Gem Art Stickers

Step 1: Remove the plastic film from the printed cards.

Step 2: Add the silver outline stickers onto the printed card.

Step 3: Press and twist the gem applicator into the pink gem wax.

Step 4: Use the gem applicator to pick up the gems and stick onto the card, matching the gem colours to the background.

The kit includes 10 sticker tapes. You can place your gem sticker anywhere. See above completed designs.
