IMPORTANT SAFETY PRECAUTIONS

READ ALL INSTRUCTIONS BEFORE USING YOUR DOG.

1. Do not use your dog near water. Clean using a soft cloth or paper towel.
2. Do not place your dog on any wet surfaces.
3. Do not allow children under age eight to play with your dog without adult supervision.
4. Do not expose your dog to excessive heat, flames or fire.
5. Always press attachments or switches carefully.
6. Do not use in extremely dry environments, as this can lead to static discharge during usage.
7. Do not expose your dog to temperatures above 40°C. Keep out of direct sunlight.
8. Do not step, punt, or expose your dog to excessive trauma.
9. Your dog is not intended for commercial use.
10. Do not place your dog on any wet or icy surfaces.
11. Do not allow children under age eight to play with your dog without adult supervision.
12. Do not expose your dog to excessive heat, flames or fire.
13. Always press all buttons or switches carefully.
14. Do not use in extremely dry environments, as this can lead to static discharge during usage.
15. Do not expose your dog to temperatures above 40°C. Keep out of direct sunlight.
16. Do not step, punt, or expose your dog to excessive trauma.
17. Your dog is not intended for commercial use.

98. Do not touch the battery connector with your finger.
99. Do not touch the battery connector with your finger.
100. Do not touch the battery connector with your finger.

Remote control

1. Unscrew to open battery cover.
2. Insert 2 x 1.5V AA batteries (not included).
3. Replace battery cover.
4. Attention: Remove batteries after you have finished using your product.

LITHIUM BATTERY CHARGE INSTRUCTIONS

Attention: Do not charge battery immediately after each play. Let the battery cool down for 5 minutes.

1. Turn off the dog.
2. Unscrew to open the battery cover and separate the rechargeable battery pack from the connector.
3. Connect the USB charging cable with the rechargeable battery first. (The battery connector will only fit one way, do not force the connector together.) Then plug the large end of USB cable into a USB-A charger (not supplied) or USB port only.

The LED light will light up when charging. When it has finished charging, the light turns off.

POWERING ON YOUR DOG

Once you have inserted batteries into your dog and remote control, you can go ahead and power on your dog. To do so, slide the ON/OFF switch located on the bottom of the dog to the ON position. When you don't operate the dog for about 30 seconds, it will make a sound to remind you. When you do not operate the dog for about 2 minutes, it will make a sound and enter sleep mode. When your dog is in sleep mode, you can reset the ON/OFF switch at the bottom of the dog to resume use.
