12 month warranty

Thank you for your purchase.

This product is warranted to be free from defects in materials and workmanship for the period stated above, from the date of purchase, provided that the product is used in accordance with accompanying recommendations or instructions where provided. This warranty is in addition to your rights under the Australian Consumer Law. For New Zealand customers, this warranty is in addition to statutory rights observed under New Zealand legislation.

We will provide you with your choice of a refund, repair (where possible) or exchange (availability dependent) for this product if it becomes defective within the warranty period. The business will bear the reasonable expense of claiming the warranty. This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse or neglect.

Please retain your receipt as proof of purchase and contact our Customer Service Centre as listed below, for the entity you purchased this product from, for any difficulties with your product. Warranty claims and claims for expense incurred in returning this product can be addressed to the respective Customer Service Centre.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Operating instructions

1. Connect the charging cable connector to the USB charger socket.
2. Insert the power plug into an easily accessible main socket. After charging is completed, simply unplug your device's USB plug from the product.
3. Charging three devices simultaneously in standard cable

***Note:** Charging speed may be reduced if the USB cable does not support PD or QC 3.0 fast charging.

4. For optimal charging, the device must support PD/QC functionality, and a compatible USB Power Delivery cable charging cable is required.

5. AUS/ EU/ UK/ USA plugs are included.

*****For use with IT/AV equipment

Product features

Supports USB-C Power Delivery 3.0 (up to 65W) and Quick Charge 3.0 (up to 30W) fast charging for devices such as laptops, iPads, iPhones, iPods, Samsung and other Android smartphones, tablets, earphone, speakers, cameras, and more.
