### Instruction Manual

#### Safety Instructions

Please read the manual carefully before use.

Recommend keeping this manual for future reference.

Icons for reference only. If there are any updates, please refer to the actual

#### Compatibility Note

Please make sure your car supports wired CarPlay/Android Auto  
Required iPhone6 or later iPhone models with IOS 10 or above for wireless CarPlay function

Required an Android smartphone that support latest Android Auto function and with Android 11 or higher of the Android operating system for wireless Android Auto function.

#### How to confirm if your car has Apple wired CarPlay or Android Auto function

##### Method 1:

Connect your iPhone or Android smartphone to your car by USB cable and see CarPlay or android auto logo on your car display

##### Method 2:

Check the compatible list below or check with your car manufacturer to see if your car has this capability:

Check out the website for supported car models

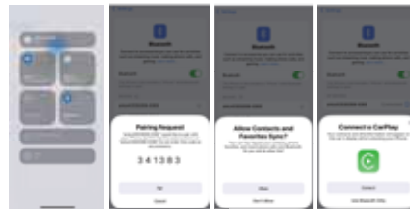

<https://www.apple.com/ios/carplay/available-models/> <https://www.android.com/auto/>

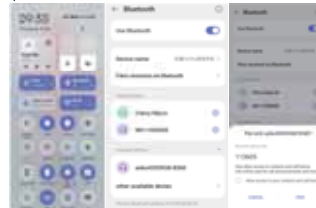

#### How to use

1. Start the car and wait for the car head until system to be loaded
2. Connect the Wireless CarPlay /Android auto adaptor to the USB-A or USB-C port in your car. Please be sure plug the adaptor into the port that is for wired apple CarPlay or android auto.
3. Open Wi-Fi and Bluetooth on your iPhone/Android smartphone and find the Bluetooth named "anko43559268-\*\*\*\*"

- 1) iPhone : find Bluetooth named "anko43559268-\*\*\*\*" –Pair-Allow-Connect

- 2) Android: find Bluetooth named "anko43559268-\*\*\*\*" – Pair

4. You are ready to enjoy wireless CarPlay or wireless Android Auto.

## FQA

1. What is the Wi-Fi password for the Wireless CarPlay Adaptor?

We need to connect the Bluetooth, not Wi-Fi. After Bluetooth matching is successful, Wi-Fi will automatically connect. So no need Wi-Fi password. Make sure your Wi-Fi is turned on and unoccupied when pairing.

2. After pairing Android Auto adaptor, cannot start Android Auto function or compatible/ cannot recognize the USB

1) If your car has use the android auto function for the first time, please use your data cable to connect your phone to activate android auto through a wired method

2) Please make sure that android auto on your android phone is the last version. If not, please log in to your google play account to update to the latest version.

3) Please turn off the Bluetooth of your phone and enter the mobile application management to search auto to clear the auto cache. After the cleaning is completed, Restart the adaptor and reconnect to Bluetooth.

3. Audio input or output issues: calls rejected or forwarded to voicemail/ no play sound /microphone not working/music playback interrupted or paused /voice functioning abnormally.

1) Please check if the iPhone/Android smartphone's Bluetooth connect to other devices such as Earphone, watch.....If so Please disconnect other auto-connected Bluetooth devices or turn of the Bluetooth directly for CarPlay and connect to your vehicle Bluetooth for android auto

2) When on a call, check that your "Audio" output option is CarPlay/Android Auto

4. The indicator light of the adaptor is still on after the car is turned off. We need to connect the Bluetooth, not Wi-Fi. After Bluetooth matching is successful, Wi-Fi will automatically connect. So no need Wi-Fi password. Make sure your Wi-Fi is turned on and unoccupied when pairing.

5. When use the wireless CarPlay Android Auto Adaptor whether Mobile Phone can use other internet Wi-Fi  
When enjoying the wireless android auto adaptor function, the phone's Wi-Fi will be occupied by the adaptor, So you cannot use other internet at the same time, You only can use your phone SIM card internet.

6 Unable to automatically reconnect

1) Please make sure that the Bluetooth and Wi-Fi functions of your mobile phone are turned on and the Bluetooth is not occupied when you get in the car

2) Clear the pairing record , restart the phone and repair the adaptor

7. Can the adaptor be paired with multiple phones

The adaptor can be paired with maximum five phones, but only one device can be connected at a time if you would like to pair it with a new phone, please cancel the current connection first. Please note, by Bluetooth function default, the adaptor's system will only auto-connect back to the last used phone.

8.Can't find the Bluetooth and Wi-Fi of the wireless CarPlay Android Auto Adaptor?

Please make sure wireless CarPlay Android auto adaptor power indicates green light is on and make sure plug the adaptor into the port that is for wired CarPlay/ Android auto.

If convenience, Please test it with another Phone. If only a specific phone cannot find the Bluetooth or Wi-Fi of the adaptor please try to reset the network and Bluetooth settings of this Phone and then restart the phone once , if the same problem happens on other Phone , it will be defective, please let us know.

## 12 Month Warranty

Thank you for your purchase.

Your new product is warrantied to be free from defects in materials and workmanship for the period stated above, from the date of purchase, provided that the product is used in accordance with accompanying recommendations or instructions where provided. This warranty is in addition to your rights under the Australian Consumer Law.

For New Zealand customers, this warranty is in addition to statutory rights observed under New Zealand legislation.

We will provide you with your choice of a refund, repair (where possible) or exchange (availability dependent) for this product if it becomes defective within the warranty period. The business will bear the reasonable expense of claiming the warranty. This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse or neglect.

Please retain your receipt as proof of purchase and contact our Customer Service Centre as listed below, for the entity you purchased this product from, for any difficulties with your product. Warranty claims and claims for expense incurred in returning this product can be addressed to the respective Customer Service Centre.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage.

You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
