Instruction Manual

43560585 TRIO STACK CANDY SCOOP

Four components

Part A
Part B
Part C: SUPPORT FRAME
Part D: SPOON

1. Connect part A to the part B from the left hand side.

2. Slide the support frame into the base in the correct direction.

3. The other end also slides into the bucket rack in the same direction.

4. Final.

Caution: Please do not use on painted surfaces, damage may occur. Surface must be clean, even, smooth and non-porous, to ensure adequate suction. For removal please do not use sharp objects.
