1080P Smart Projector

User Manual

Thank you for your purchase.
Please read this Instruction Manual and Retain for future use.

Warning:

1. The projector is non dustproof or waterproof.
2. In order to reduce the risk of fire and electric shock, do not expose the projector to rain and fog.
3. When projector is working, please do not look directly into the lens, the strong light will flash your eyes and cause slight pain. Children should use the projector under the supervision of adults.
4. Do not cover the vents of projector. Heating will reduce the life of projector and cause danger.
5. Regularly clean projector vents, or dust may cause cooling malfunction.
6. Do not use the projector in greasy, damp, dusty or smoky environment.
Oil or chemicals will cause malfunction.
7. Please handle with care during daily use.
8. Please cut off the power if the projector is out of use for long time.
9. Please pay attention to important information related to the operation and maintenance of the projector. You should read this information carefully to avoid problems. Following safety instructions will increase the life of projector.
10. Please consult the qualified personnel for installation and repair services, and do not use damaged wires, accessories and other peripherals.
11. Projector should be kept away from flammable, explosive, strong electromagnetic interference (large radar stations, power stations, substations etc.), strong ambient light (avoid direct sunlight), etc.
12. Please use the original power adapter.
13. Do not bend or drag the power cord.
14. Do not put power cord under projector or any heavy objects.
15. Do not cover other soft materials on power cord.
16. Do not heat the power cord.
17. Avoid touching power adaptor with wet hands.

Specifications

12 Month Warranty

Thank you for your purchase.

Your new product is warrantied to be free from defects in materials and workmanship for the period stated above, from the date of purchase, provided that the product is used in accordance with accompanying recommendations or instructions where provided. This warranty is in addition to your rights under the Australian Consumer Law.

For New Zealand customers, this warranty is in addition to statutory rights observed under New Zealand legislation.

We will provide you with your choice of a refund, repair (where possible) or exchange (availability dependent) for this product if it becomes defective within the warranty period. The business will bear the reasonable expense of claiming the warranty.

This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse or neglect.

Please retain your receipt as proof of purchase and contact our Customer Service Centre as listed below, for the entity you purchased this product from, for any difficulties with your product. Warranty claims and claims for expense incurred in returning this product can be addressed to the respective Customer Service Centre.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
