Instruction Manual

4K Action Camera with Wi-Fi

K: 43-598-205 | T: 71-414-621
Model No: EB500437

MADE IN CHINA

Thank you for your purchase of this action camera. Please carefully read this manual and all safety instructions prior to using the product. It is important to retain this manual for future reference.

Cleaning and maintenance before use

Clean the lens with the included cleaning cloth to remove fingerprints or dust before recording.
Ensure all mounts and screws are properly tightened to prevent vibrations or accidental drops during use.

Safety & Usage Instructions

1. Secure the camera to prevent drops.
2. Keep away from children especially during charging.
3. Never open housing or insert objects.
4. Avoid extreme temperatures, direct sunlight, dust, moisture, and strong magnetic fields (e.g., electrical machines).
5. Store in a cool, dry, dust-free location.
6. Keep away from hot surfaces, naked flames, and power surges.
7. Immediately disconnect power if device overheats, emits smoke, or produces strange smells.
8. Regularly inspect cables/product; stop use if damaged.
9. Use Class 10 (or higher) Micro SD cards for optimal performance.
10. Keep SD cards away from magnetic objects to prevent data errors.
11. Built-in battery is non-removable; do not attempt replacement.
12. Clean surface stains with a dry cloth only when unplugged.
13. Disconnect charger (if attached) before cleaning.

Battery warnings

Never dismantle, crush, or pierce the battery, or allow the battery to short-circuit.

Do not expose the battery in high temperature environment, if battery leaks or bulges, stop continue to use.

Always charge using the designated charger. Risk of explosion if battery is replaced by an incorrect type.

Keep the battery out of reach of children.

Batteries may explode if exposed to naked fire. Never dispose batteries in a fire.

Follow your local regulations for disposing used batteries.

Waterproof IP68

WARNING: It is imperative to securely fasten the cover on the camera before submerging it in water. Failure to do so may cause leaks that could potentially harm or render your camera inoperable. Please be advised that any water damage resulting from user error is not covered under warranty.

12 Month Warranty:

Thank you for your purchase.

Your new product is warrantied to be free from defects in materials and workmanship for the period stated above, from the date of purchase, provided that the product is used in accordance with accompanying recommendations or instructions where provided. This warranty is in addition to your rights under the Australian Consumer Law. For New Zealand customers, this warranty is in addition to statutory rights observed under New Zealand legislation.

We will provide you with your choice of a refund, repair (where possible) or exchange (availability dependent) for this product if it becomes defective within the warranty period. The business will bear the reasonable expense of claiming the warranty. This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse or neglect.

Please retain your receipt as proof of purchase and contact our Customer Service Centre as listed below, for the entity you purchased this product from, for any difficulties with your product. Warranty claims and claims for expense incurred in returning this product can be addressed to the respective Customer Service Centre.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
