Speaker and Tripod

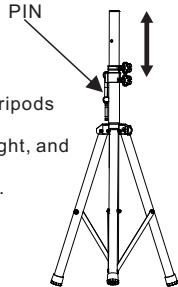

Unfolding the Tripod

- 1.Turn the thumb screw handle on the tripod base counterclockwise until the tripod is able to open.
- 2.Holding the center column firmly in one hand, grip and carefully pull one of the legs outward until the tripod begins to unfold, and the center column sides up.
- 3.Push the center column up until the tripod is fully opened and the center column cannot be pushed up any more.
- 4.Turn the thumb screw handle clockwise until tight.

Adjusting the Tripod's Height

- 1.Turn the two thumb screw handle on the upper part of the tripods center column counterclockwise until loose.
- 2.Raise or lower the adjustable center rod to the desired height, and insert the pin to fix the height.
- 3.Turn the thumb screw handle clockwise until tight to screw.

Mounting the Speaker

- 1.Unfold the tripod and adjust to the desired height.
- 2.Mount the hole on the bottom of the speaker once the rod of the tripod and turn the thumb screw handle on the speaker clockwise until tight to screw the speaker.

NOTE:

- 1.Please use and place the tripod on a flat ground to avoid unbalanced placement.
- 2.When the speaker and the tripod are used together, please ensure tighten all knob screws from both.
- 3.Please don't place the speakers with different mounting hole to the tripod, the maximum diameter of the speaker's mounting hole is 3.5cm, which may cause place unstable and product fall down.
- 4.The Tripod stand height up to 120CM, recommend to use for 0.8M, too high may cause fall down.
- 5.Please take care of the children not to touch or play with the tripod to prevent accidentally push down.

Powering ON/OFF

- 1.Make sure that the speaker has been charged.
- 2.Turn the [POWER/VOLUME] knob clockwise until it clicks to power ON.
The speaker will enter Bluetooth pairing mode.
- 3.The speaker may automatically re-pair to any nearby, previously paired device.
- 4.Turn the [POWER/VOLUME] knob counterclockwise until it clicks to power OFF.

Charging the Speaker

The speaker comes with a built-in rechargeable battery, follow the below steps to charge it:

- 1.Plug the end of USB charging cable (included) with USB charger (not included) to the DC 5V input slot, another end plug into a wall outlet to start charge.
- 2.The battery indicator will show RED on the back and turn off when fully charged.
- 3.When the speaker battery is in lower power, a DIDIDI tone will be heard indicating that need charge.

Changing Function Modes

- 1.Press the [MODE/LIGHT] button to switch function modes.
- 2.The LED screen of the speaker will indicate the mode.

Note: You must have a micro TF card or USB device inserted or AUX cable connected to switch to these modes.

Adjusting Volume & Playback

- 1.Adjust volume with the [POWER/VOLUME] knob or the controls on a connected device.
- 2.Press the [►►] and [◄◄] buttons of the speaker to switch the tracks in Bluetooth/ USB mode or stations in FM mode .
- 3.Press the [►||] button to pause and resume playback in Bluetooth/USB mode.

Switching the Speaker Light Effects

- 1.The LED light effect will automatically turn on when the speaker is powered on.
- 2.Long press the [MODE/LIGHT] button on the back of the speaker to switch LED light effects and turn the lights off.

12 Month Warranty

Thank you for your purchase.

Your new product is warrantied to be free from defects in materials and workmanship for the period stated above, from the date of purchase, provided that the product is used in accordance with accompanying recommendations or instructions where provided. This warranty is in addition to your rights under the Australian Consumer Law.
For New Zealand customers, this warranty is in addition to statutory rights observed under New Zealand legislation.

We will provide you with your choice of a refund, repair (where possible) or exchange (availability dependent) for this product if it becomes defective within the warranty period. The business will bear the reasonable expense of claiming the warranty.
This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse or neglect.

Please retain your receipt as proof of purchase and contact our Customer Service Centre as listed below, for the entity you purchased this product from, for any difficulties with your product. Warranty claims and claims for expense incurred in returning this product can be addressed to the respective Customer Service Centre.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
