

ITEM NAME: PEDAL GO KART
KEYCODE: 43617630

IT IS IMPORTANT TO READ THIS MANUAL THOROUGHLY
BEFORE ASSEMBLING, RIDING, OR PERFORMING
MAINTENANCE ON THIS KART.
KEEP THIS MANUAL FOR FUTURE REFERENCE.

WARNING:

For the safety of your child, please read all warnings and assembly instructions carefully.
Keep this manual for future reference.

SAFETY INSTRUCTIONS

- Never leave the child unattended while using the go kart. Adult supervision is required at all times.
- The go kart should be used with caution since certain skills are required to avoid falls or collisions that may cause injuries to the user or third parties.
- Protective equipment should be worn while using the go kart.
- Never use the go kart on roadways, near vehicles, on or close to steep inclines or steps, swimming pools or water bodies.
- Always wear shoes when using the go kart.
- Always be seated on the seat when using the go kart.
- Do not use in traffic.
- This go kart is not suitable for children under 37 months due to its speed. Maximum user weight is 50 kgs.
- This go kart is **not equipped** with brakes.

RULES FOR SAFE RIDING

- Ensure children ride within safe riding areas. Never use the go kart on roadways, near vehicles, on or close to steep inclines or steps, swimming pools or water bodies.
- Use the go kart only on flat and level surfaces such as inside your house, garden or playground.
- Never use in the dark. A child could encounter an obstacle and have an accident. Ride only during day-time or in a well-lit area.
- Do not let children touch the wheels or be near them when the go kart is moving.

ADULT ASSEMBLY REQUIRED

This product contains small parts that can be hazardous to children.

Please keep children away during assembly. Please dispose of all packaging materials responsibly.

RECOMMENDED AGE: 3-5 YEARS

NOTICE ON MAINTENANCE

- It is the responsibility of the adult / parent to check the main parts of the go kart before use.
- Regularly examine for potential hazard such as loosen screws and parts.
- If the go kart is damaged, it must not be used until it is repaired.
- Ensure that the plastic parts of the go kart are not damaged or broken.
- Occasionally, use a light weight oil to lubricate moving parts such as the wheels.
- Park the go kart indoors or cover it with a tarp to protect it from the weather.
- Keep the go kart away from heat sources, such as stoves and heaters. Plastic parts may melt.
- Clean the go kart with a soft, dry cloth. To restore shine to plastic parts, use a non-wax furniture polish.
- Do not use car wax. Do not use abrasive cleaners,
- Do not drive the go kart in loose dirt, sand or fine gravel that could damage moving parts.
