## HOW TO CHARGE:

- Loosen the screw to open battery cover.
  - Press the tail of the connector, separate the rechargeable battery pack from connector.
  - Connect the USB charging cable with rechargeable battery first. (The battery connector will only fit in one way, do not force the connectors together), then plug the large end of USB cable into a 5V DC, 0.5-2A charger (not supplied) or USB port only. The red LED light on the USB charging cable will light up when charging.
  - The red LED light will turn off after it has finished charging.
- Disconnect the USB charging cable from the USB port and then disconnect the rechargeable battery with USB charging cable.
- Attention: Do not charge battery immediately after each play. Let the battery cool down for a while.
