INSTRUCTION MANUAL

Safety Instructions:

To ensure proper operation of this appliance, please read this instruction manual carefully before you use the appliance and save it for further reference.

⚠ WARNING

- Check the appliance before you use it, do not use the appliance if it has any crack, gap or any other damage.
- Make sure the mirror is not in a place or in a position where it can reflect sunlight. Reflected sunlight can cause fire.
- Do not attempt to repair, disassemble, or modify the appliance by yourself to avoid accidents.
- The light source of this mirror is not replaceable. When the light source reaches its end of life the whole luminaire shall be replaced.
- Maximum 0.5kg loading is stored.
- For indoor use only.

⚠ CAUTION

- Avoid touching the mirror with sharp objects in order to prevent scratches that might affect the mirror usage.
- This appliance has a lithium battery. Do not place or store the appliance for long periods of time in a hot or humid environment. If you do not intend to use the appliance for a long time, store the appliance after it is fully charged.
- This appliance contains battery and LED lights that are non-replaceable.
- Ensure charging adapter used is compatible with a 5V DC SELV 2A, 10W rating.

Specifications:

- Charging Voltage / Current: 5V $\overline{\text{---}}$ / 2000mA Max. 10W
- Type of Battery: 18650 Li-ion 3.7V 2000mAh 7.4Wh
- Ta: 25°C
