## WHITE CONFETTI GLASS LOOK AROMA DIFFUSER

**K: 43636211 | T: 71787664  
SLR-25580**

**IMPORTANT! Care should be taken with the use of diffusers around animals. Both the choice of essential oils and where animals are should be taken into consideration when in use.**

### IMPORTANT SAFETY INSTRUCTIONS:

The following safety precautions should always be followed, to reduce the risk of electric shock, personal injury or fire. It is important to read all of these instructions carefully before using the product, and to save them for future reference or new users.

1. This product must only be used as intended in accordance with the enclosed operating instructions
2. DO NOT carry the appliance by the mains cable or pull the cable to remove the plug from the socket.
3. If the appliance stops unexpectedly or appears to malfunction, switch off the power supply, unplug from the mains and stop using immediately. Seek professional advice to rectify the fault or make repairs.
4. Switch off the power supply or unplug from the mains socket when not in use, before cleaning or changing accessories.
5. Avoid positioning the appliance where the power cable might be accidentally trapped or damaged.
6. Keep the appliance and cable away from sources of heat, sharp objects or anything that may cause damage.
7. Ensure the appliance is switched OFF before connecting the mains power supply.
8. Be aware that some surfaces may become hot. Do not touch hot surfaces and supervise others accordingly.
9. This product has not been designed for use by children.
10. Children should be closely supervised at all times when they are near any electrical appliance, and make sure they don't play with appliance.
11. To protect against electric shock, never allow the appliance, the mains cable or plug to come into contact with water or any other liquid.
12. Never reach for any appliance that has fallen into water. Switch off the power supply at the mains immediately and unplug. Do not re-use until the product has been inspected and approved by a qualified electrician.
13. Always ensure that hands are dry before operating or adjusting any switch on the product or touching the adaptor and mains supply connections.

14. To disconnect, first ensure that all controls are in the OFF position, then remove the plug from the electricity supply.
15. Where relevant keep all ventilation slots, filters, etc. uncovered and clear of debris. Never drop or insert objects into the openings.
16. Where relevant keep all ventilation slots, filters, etc. uncovered and clear of debris. Never drop or insert objects into the openings.
17. Always use fragrance with water. Do not use fragrance on its own.
18. Volatile liquids (such as perfume enhancers, perfume, etc.) are strictly, and water-soluble essential oils must be used. Acidic oil can damage the diffuser. Check the instructions of the oil or fragrance carefully, the use of other substances may give rise to a toxic or create a fire risk.
20. DO NOT leave the diffuser on or unattended overnight.
21. Always unplug the diffuser from the electrical supply when filling and cleaning.
22. DO NOT use outdoors. This appliance has been designed for domestic indoor dry location use only.
23. Water spillage may occur during use, please ensure that the surface the item is placed on is protected and keep item some distance away from power socket.
24. The appliance is not to be used by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless under close supervision and instruction.
25. For the details of filling, please refer to the section Operation instructions.
26. For the details of cleaning and descaling, please refer to the section Maintenance.

**CAUTION: TO PREVENT LESS OR NO STEAM FROM THE DIFFUSER,  
DO NOT ADD WATER ABOVE THE MAX LEVEL MARK.  
TO PREVENT MELTING DAMAGE, DO NOT ADD MORE THAN 10 DROPS  
OF ESSENTIAL OIL INTO THE CONTAINER.**

**Power adaptor (use provided power adaptor only KL12-2400500AU)**

Input: 100-240V~ 50/60Hz 0.4A

Output: 24V DC 500mA

Wattage: Max. 12W

**Operation instructions**

1. Open the covers one by one and take out the adaptor (a).
2. Connect the diffuser with the adaptor.
3. The maximum water volume of the water tank is 250ml, and the water injection volume shall not exceed the maximum water level indication line. Add approximately 6 drops of essential oils (not included) to the water (b).
4. Cover and close the lid, and connect the adaptor to the mains (c).
5. To turn on "Mist function", press the "Mist button" and select the desired time setting: 1H, 2H, 3H or ON. To turn off, press a 5rd time.
6. Press the light button to turn on the light, LED colour will be auto colour changing mode, press the button again to set desired colour (8 difference colour). Long press two seconds to turn off the light.

Note: The diffuser will switch OFF automatically when the settime period has elapsed or when the water in the container runsout.

## Attention

1. Do not use as medical respirator.
2. Do not use the product when there is an abnormal noise or the diffuser is overheating abnormally.
3. Do not cover or block the mist outlet or air inlet.
4. Do not use inferior essential oils. Use 100% pure essential oils.
5. Do not take off the cover during operation of the diffuser.
6. Do not place near an electric device such as a computer, TV or audio equipment.
7. Do not use hot water or mineral water. Always use tap water or distilled water.
8. Keep out reach of children or pets.
9. Light flickers with the water movement to improve the room ambience

## Maintenance

To help ensure a long working life, please properly maintain the diffuser. It's necessary to maintain the diffuser as outlined below once it has been used 5-6 times or for 2-3 consecutive days.

1. Disconnect the adaptor from the diffuser base. Take off the cover while keeping the diffuser completely level.  
DO NOT tip from side to side.
2. If there's water left in the tank, pour it from the drain side DO NOT pour from the air outlet side, as water may flow into the base of the diffuser.
3. Please clean water tank with a brush and white vinegar or the dilution of detergent and warm water to remove any essential oil residue and descaling, ensuring no detergent remains. Others part of the cover can be cleaned with a soft cloth.
4. Add water **without essential oil** into the tank to Max level and set the timer for 30 minutes. After 30 minutes pour out remaining water and gently wipe the water tank clean, especially the atomizer plate.

Please **DO NOT** use chlorine or acidic based detergents for cleaning outside or inside of the diffuser.

Please use neutral detergents like diluted kitchen detergents.

## Troubleshooting

Problem	Possible reason	Solution
Unit does not work	Connection problem	Check whether the adapter is connected correctly
Unable to spray mist or spray is bad	Water tank might be dirty	Clean the water tank, especially the atomizer plate
	Too much water might be inside the tank	Make sure water inside tank is not over the max water level
	Cover is not closed properly	Make sure the cover is tightened
	Is the bottom air inlet dirty?	Clear away the dust in the bottom air inlet
	Water level very low	Fill with more water

Caution: Do not shake or tilt the product when there is water in the container or else the product may not work correctly.

## 12 Month Warranty

Thank you for your purchase.

Your new product is warranted to be free from defects in materials and workmanship for the period stated above, from the date of purchase, provided that the product is used in accordance with accompanying recommendations or instructions where provided. This warranty is in addition to your rights under the Australian Consumer Law.

For New Zealand customers, this warranty is in addition to statutory rights observed under New Zealand legislation.

We will provide you with your choice of a refund, repair (where possible) or exchange (availability dependent) for this product if it becomes defective within the warranty period. The business will bear the reasonable expense of claiming the warranty.

This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse or neglect.

Please retain your receipt as proof of purchase and contact our Customer Service Centre as listed below, for the entity you purchased this product from, for any difficulties with your product. Warranty claims and claims for expense incurred in returning this product can be addressed to the respective Customer Service Centre.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage.

You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
