1 Thread the ball chain through the hole on the bear charm's head.

2 Secure both ends of the ball chain.

3 Tie the white cord onto the white round keychain clip as shown in the picture.

4 Thread the beads onto the cord, tie a knot, and trim off the excess.

5 Take the pink cord, fold it in half, and tie a knot.

6 Thread the "SWEET" alphabet beads onto the cord, tie a knot, and trim off the excess.

7 Attach the four completed pendants to the pink round keychain clip.

8 Your charm accessory is now completed!

WARNING:
LONG CORD AND SMALL PARTS. STRANGULATION AND
CHOKING HAZARD. NOT FOR CHILDREN UNDER 3 YEARS

1 Thread the pom-pom onto the ball chain.

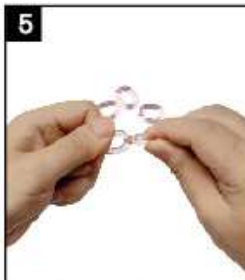

2 Tie the white cord onto the round clip as shown in the picture.

3 Thread the bow and round beads, and pass the cord through the round hole on top of the flower charm.

4 Keep the flower charm's hole snug against the round bead and tie a knot.

5 Press firmly on the opening of the two chain links to snap them together.

6 Complete the chain link.

7 Tie the purple cord onto the star keychain clip.

8 Thread the "LUCKY" alphabet beads, tie a knot, and trim off the excess.

9 Thread the barrel beads and the white heart bead onto one end of the cord, tie a knot, and trim off any excess.

10 Repeat the previous step on the other end of the cord.

11 Thread the four completed pendants to the star keychain clip.

12 Your charm accessory is now completed!
