

Kids Basketball Set

1

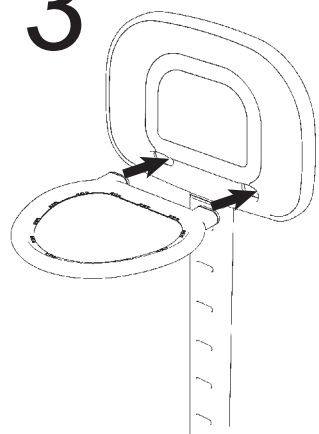

1. Pull out the pole of basketball stand to adjust the height.

2

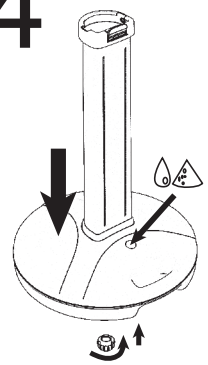

2. Plug the backboard into the pole of the basketball stand.

3

3. Install the hoop to the backboard.

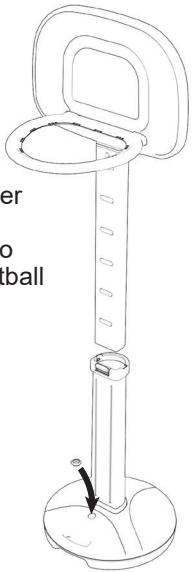

4

4. Insert the pole of basketball into the pedestal and then tightly screw the nut.

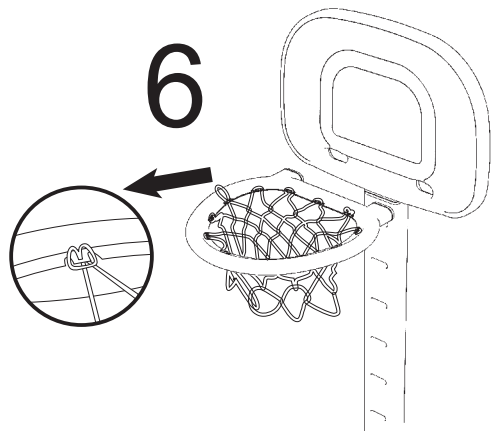

Note: Trickle water or sand into the base container to make the basketball stand stable.

5

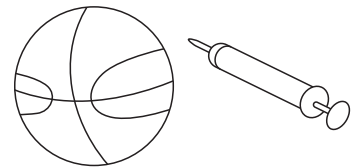

5. After assembling all parts of the basketball stand, make sure the plug is secured into the base.

6

6. Put the basketball net on the hoop.

Basketball and pump are included
