

## **BURGER PRESS SET INSTRUCTION MANUAL**

### **Step 1: Prepare the Mould**

Rinse the mould with clean water and dry it thoroughly.

### **Step 2: Fill and Flatten**

Add meat to the four silicone round cavities. Use the small plastic circular lid to press the meat evenly and flatten the surface.

### **Step 3: Seal and Chill**

Once all cavities are filled, cover them with the plastic rectangular lid. Fold the mould closed, then refrigerate.

### **Step 4: Clean and Store**

After use, rinse the mould, allow it to air dry, and store it properly.

**Note: This product is not intended for oven use.**
