3 Piece Ceramic Cookware Set with Detachable Handle

Handle is attachable to any of the pieces and you can trust that it is secure enough when transferring from stovetop to oven or fridge. Handle is not oven safe.

The removable handle lets you experience ultimate versatility when transferring pans from stove to oven, serving and into the fridge.

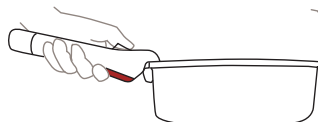

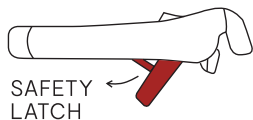

Release safety latch and press button to detach handle

To preserve the non-stick surface, refrain from using abrasive cleaning tools or cleaners and avoid using metal cooking utensils.

EXTRA SAFETY DEVICE

Hold the handle and safety latch together to avoid accidental detachment

Reducing the risk of accidental detachment
