Important Safety information

Please read and follow the instructions below to reduce the risk of injury, fire, electric shock, or damage to the product.

1. Do not apply excessive force, crush, or subject the product to impact.
2. Do not disassemble, modify, or attempt to repair this product. There are no user-serviceable parts inside.
3. Do not expose the product to fire, water, or other liquids.

4. Do not use the wireless charger in high-temperature, humid, or corrosive environments.
5. Keep the wireless charger away from magnetic stripe cards or chip cards (such as ID cards or bank cards), as magnetic fields may cause data loss.
6. Maintain a minimum distance of 20 cm between the wireless charger and any implanted medical devices (such as pacemakers or cochlear implants) to avoid potential interference.
7. This product is not a toy. Keep out of reach of children to prevent accidental injury.
8. If the product becomes damaged, stop using it immediately and contact the manufacturer or an authorized service center.
9. Disconnect the wireless charger from the power supply when not in use.
10. Use only with a compliant USB power adaptor.

Operating instructions

How to charge

1. Connect the supplied USB-C to USB-C charging cable to the USB-C power input port of the product.
2. Connect the other end of the cable to a suitable USB power adaptor (not included).
3. Plug the power adaptor into a wall socket.
4. Place a compatible wireless charging device on the designated charging area to begin charging.

LED indicator

1. Standby: The LED indicator remains on.
2. Charging: The LED indicator turns off.
3. If a foreign object (such as metal objects) is detected:
 - The LED indicator will flash.
 - Charging will stop automatically.

Remove the foreign object to resume normal charging.

Note:

The earphone and watch charging areas do not provide a visual FOD indicator.

Folding function:

This product features a foldable design for convenient storage and portability.

1. Lift the stand to approximately 65° for viewing.

2. Adjust up to 180° for charging compatible smart watches.

12 Month Warranty

Thank you for your purchase.

Your new product is warrantied to be free from defects in materials and workmanship for the period stated above, from the date of purchase, provided that the product is used in accordance with accompanying recommendations or instructions where provided. This warranty is in addition to your rights under the Australian Consumer Law. For New Zealand customers, this warranty is in addition to statutory rights observed under New Zealand legislation.

We will provide you with your choice of a refund, repair (where possible) or exchange (availability dependent) for this product if it becomes defective within the warranty period. The business will bear the reasonable expense of claiming the warranty. This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse or neglect.

Please retain your receipt as proof of purchase and contact our Customer Service Centre as listed below, for the entity you purchased this product from, for any difficulties with your product. Warranty claims and claims for expense incurred in returning this product can be addressed to the respective Customer Service Centre.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
