## Paint Your Own Plaster Dinosaurs Kit

### DIRECTIONS:

1. Find a flat surface that you can use as your work area.
2. Cover your work area with newspaper or paper towels.
3. Lay out all of your materials in front of you.
4. Put on an apron or art smock before you paint.
5. Keep a cup of water near to thoroughly wash the paint brush after applying each colour.
6. Close the paint lids after each use to prevent paint from drying.

### TIPS:

1. Add some water to the paints if they look too dry or sticky.
2. Let the painted plasters dry completely after you have finished painting.
3. Refer to the packaging as inspiration when painting, or create your own designs.
4. Mix different paints together to create new colours.
5. Paint several layers to make the colours more vibrant.

Tips: Mixing Orange-Red and Yellow will make a close shade to Orange.

Mixing White and Yellow will make a close shade to Cream Yellow.

Mixing White and Orange-Red will make a close shade to Coral.
