WARNING!

Adult assembly required!

TO AVOID SERIOUS INJURY: Continuous adult supervision required; never use near motor vehicles; never use near streets, swimming pools, hills, steps, or sloped driveways; Always wear shoes when using the tricycle. Never allow more than one rider.

1. **Follow the manufacturer's instructions.**
2. When adults push the trike, ensure the child is wearing the properly adjusted seat belt.
3. When children are riding the trike on their own, remove the push bar and the seat belt. Children should always wear an approved safety helmet when riding alone.
4. Before riding, please check that all fasteners are correctly secure.
5. Always wear shoes when riding.
6. For the child's personal safety, always use safety equipment such as Helmet, Elbow pads, Knee Pads, and Gloves.
7. Always wear a properly fitted helmet.
8. To be used on smooth paved surfaces without any traffic. Not for use on public roads.
9. Not to be used at dusk, at night, or at times of limited visibility and unfavourable weather.
10. Replace worn or broken parts immediately.
11. **Do not carry extra children or bags or items on this pram or stroller.**
12. Suitable for children 9-72 months.
13. Adult assembly required. Choking hazard to children under the age of 3 years - contains small parts prior to assembly.
14. The toy should be used with caution since skill is required to avoid falls or collisions causing injury to the user or third parties.
15. Pinching hazards may be present if assembled incorrectly.
16. Care should be taken if the pram/stroller trike is used on stairs or escalators.
17. Do not use near an open fire or exposed flame.
18. Maximum weight capacity: 25kg for pram/stroller trike.
19. **Put on all the brakes whenever you park the pram or stroller.**
20. The vehicle is designed for use on flat or gently sloping surfaces and may be unstable on higher sloping and uneven surfaces; and user should be made aware of the possibility of the vehicle tipping over. Illustrations or diagrams may be used to demonstrate the hazard.
21. Warnings for the use of the harness assembly and instructions for its use accompanied by diagrams which clearly show the correct fitting and method of adjustment.
22. Do not leave the harness buckled when not fitted to a child in the pram/stroller trike as the harness can form loops which may pose as a strangulation hazard.
23. Make sure to activate the brakes when parking the pram/stroller trike by pressing the red brake by your foot.
24. **Perform regular inspections and maintenance on the stroller e.g. lubrication, daily cleaning and security of essential components.**
25. Noted that it is unsafe to use accessories other than those approved by the vehicle manufacturer.
26. Not recommended for a child under 9 months old.
27. There is potential for fingers or parts of the body to be injured when the vehicle is being folded or unfolded, and that due care should be exercised.
28. Adult supervision is required when using the trike.
29. Dispose the plastic bag to avoid suffocation after open the carton.
30. Do not use for unsupervised sleeping.
31. **Do not leave children unattended.**
32. **Make sure children are clear of any moving parts if you adjust the pram or stroller, otherwise they may be injured.**
33. **Use the strap to stop the stroller rolling away.**
