12 Month Warranty

Thank you for your purchase.

Your new product is warrantied to be free from defects in materials and workmanship for the period stated above, from the date of purchase, provided that the product is used in accordance with accompanying recommendations for instructions where provided. This warranty is in addition to your rights under the Australian Consumer Law. For New Zealand customers, this warranty is in addition to statutory rights observed under New Zealand legislation.

We will provide you with your choice of a refund, repair (where possible) or exchange (availability dependent) for this product if it becomes defective within the warranty period. The business will bear the reasonable expense of claiming the warranty. This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse or neglect.

Please retain your receipt as proof of purchase and contact our Customer Service Centre as listed below, for the entity you purchased this product from, for any difficulties with your product. Warranty claims and claims for expenses incurred in returning this product can be addressed to the respective Customer Services Centre.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Power ON/OFF

Press and hold the power button for 3 seconds to turn on/off. The headset will power ON/OFF with a voice prompt “power ON/OFF”, the LED indicator will flash red and white, indicating the headset has entered pairing mode.

Pairing

Search for the pairing name on your device: **anko43722075 / anko43736621**. Once successfully connected, you will hear a voice prompt “Connected”, and the white LED indicator will stay on for 10 seconds before turning off.

Charging

Please charge this headset using a power source with a DC 5V output. The LED indicator will be red while the headset is charging and turn white once fully charged.

Please only use the supplied charging cable to recharge your headphones. If not, it may result in electrical hazards or damage your device.

Auto power-off saving mode

If Bluetooth is disconnected for 5 minutes, the headset will enter power saving mode and turn off automatically.
