About the Find My App

The Apple Find My network provides an easy, secure way to locate the item using the Find My app on your iPhone, iPad, Mac, or the Find Items app on Apple Watch.

To use the Apple Find My app to locate this item, the latest version of iOS, iPadOS, or macOS is recommended. The Find Items app on Apple Watch requires the latest version of watchOS.

Learn More

- This item can be located by its owner using the Find my app. For more information, view the Find My App.

How to Disable

- Remove the device on the Find My App. This will stop sharing the location of this Car Charger and Tracker.

How can I prevent my device from being used for malicious tracking

When someone else's device mixes with your belongings, and tracks it over a period of time, you will be reminded in below two ways:

- If you have an iPhone, iPad, or iPod touch etc Apple device, you will get alerts on your Apple device. This feature is available on iOS or iPadOS 14.5 version or above.
- If someone else's device finds its way into your stuff, your iPhone will notice it is travelling with you and send you an alert. After a while, if you still have not find it, the Car Charger and Tracker will start playing a sound to let you know where it is.

Important tips:

When pairing a device with Find My app, the phone will link to the Apple server. Pairing may fail because of network problems. The following action is recommended
a. Change the phone's network, such as switching between Wi-Fi and mobile. The first pairing may take a long time, please wait patiently.
b. Reset your Car Charger and Tracker.
c. When "Lost Mode" is enabled, DO NOT REMOVE ITEM in the APP. Your Car Charger and Tracker will be locked and cannot be paired to a new device.

Use of the Works with Apple badge means that a product has been designed to work specifically with the technology identified in the badge and has been certified by the product manufacturer to meet Apple Find My network product specifications and requirements. Apple is not responsible for the operation of this device or use of this product or its compliance with safety and regulatory standards.

To use the Apple Find My app to locate this item, the latest version of iOS, iPadOS, or macOS is recommended. The Find Items app on Apple Watch requires the latest version of watchOS.

12 Month Warranty:

Thank you for your purchase.

Your new product is warrantied to be free from defects in materials and workmanship for the period stated above, from the date of purchase, provided that the product is used in accordance with accompanying recommendations or instructions where provided. This warranty is in addition to your rights under the Australian Consumer Law. For New Zealand customers, this warranty is in addition to statutory rights observed under New Zealand legislation.

We will provide you with your choice of a refund, repair (where possible) or exchange (availability dependent) for this product if it becomes defective within the warranty period. The business will bear the reasonable expense of claiming the warranty. This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse or neglect.

Please retain your receipt as proof of purchase and contact our Customer Service Centre as listed below, for the entity you purchased this product from, for any difficulties with your product. Warranty claims and claims for expense incurred in returning this product can be addressed to the respective Customer Service Centre.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
