Indoor & Outdoor Play

Play this game anywhere! This giant soccer target set is perfect for both indoor and outdoor use on flat surfaces. Fill the included weighted water bag to improve stability.

How to Play

1. Inflate the soccer target fully and water bag with water fully and place it on a flat surface.
2. Set a shooting line at a suitable distance from the target. Adjust distance according to different player ages and skill levels.
3. Players take turns attempting to score using the different items (with golf club and golf sticky balls, or only sticky balls, soccer, or darts).
