Input: 5V – 200mA

Water Resistance: IP68

Battery capacity: 3.7V 300mAh rechargeable

Lithium-ion Battery (non-replaceable)

Standby time: Approx. 40-45 days

Important Safety Information

- › This product contains a rechargeable lithium-ion battery (non-replaceable).
- › Do not leave the device connected to the charger for extended periods.
- › Avoid exposing the device to high temperatures or direct sunlight for prolonged periods.
- › Do not allow the battery to fully discharge before recharging.
- › Do not disassemble, crush, puncture, or modify the battery or device.

- › Handle with care and avoid strong impacts or dropping.
- › Do not charge the device unattended.
- › This product is not a toy. Keep it out of reach of Children.
- › This product includes lithium polymer battery.
- › Keep product out of the reach of children and pets to avoid chewing and swallowing.
- › Never open the product. Touching the inside electrics can cause electric shock. Repairs or service should only be performed by qualified personnel.
- › Please remove the Smart watch in case of any leakage or excessive heat from the product to avoid burns or rash.
- › Only charge with the supplied USB cable.
- › Using other accessories than the ones delivered with the product can cause abnormal functionality.

Operating Instructions

Charging the Watch

Before first use, fully charge the device.

1. Align the magnetic charging cable with the charging contacts on the back of the watch.
2. Ensure the connection is secure. The charging icon will appear on the screen.

Note: Ensure the charging contacts are clean and dry before charging.

Downloading the App

Scan the following QR code, download and install the App.

Scan QR Code and Download

Connecting to Your Phone

Enable Bluetooth on your smartphone.

Open the Da Fit app and add a device. Select your device from the list and tap to connect. The model name “Anko43725717” will appear after connection.

Password Settings:

Default Password: 0808

The device is preset with a default password (0808).

For security, we recommend changing the password after first use.

Note:

- The password can only be set or changed on the watch
- This feature is not supported via the app

To Change or Disable the Password

1. Go to Settings on the watch
2. Select Password
3. Enter the current password

You can then:

- Enter a new password to update it
- Disable the password function if not required

Forgot Password

If you forget your password, you can use the default password (0808) to unlock the device and reset your password.

If an incorrect password is entered 5 consecutive times, the device will be locked for 300 seconds.

This password feature provides basic access protection only and is not intended for high-security use.

NMOC button and knob

Press and hold the knob to turn the watch on or off. Press the knob to return to the home screen. Rotate the knob to scroll through screens or change watch faces.

Press the NMOC button to access the Exercise page. Press again to return to the previous screen.

Touch Screen Operation

Tap to select functions.

Swipe to navigate between screens.

Smart Watch Features

Activity

View your activity data including steps, calories, and exercise records.

Sleep

Wear the watch during sleep to track sleep duration and quality.

Heart Rate

The watch can monitor your heart rate throughout the day.

Phone Call

When connected, you can make and receive calls via the watch.

View air pressure and altitude data.

Settings

Adjust Display, Vibrate & Ring, DND Mode, Low Power Mode, Phone Call, Screen Clock, Password, System and About options.

Getting to Know Your Device

1. Using in Wet Conditions

This device is rated IP68 and is suitable for everyday use such as hand washing or sweating.

Do not use the device for swimming, diving, or exposure to high-pressure water.

Dry the device thoroughly after exposure to moisture.

2. Quick View

Raise your wrist to wake the screen and view the time or notifications without touching the display.

12 Month Warranty

Thank you for your purchase.

Your new product is warrantied to be free from defects in materials and workmanship for the period stated above, from the date of purchase, provided that the product is used in accordance with accompanying recommendations or instructions where provided.

This warranty is in addition to your rights under the Australian Consumer Law.

For New Zealand customers, this warranty is in addition to statutory rights observed under New Zealand legislation.

We will provide you with your choice of a refund, repair (where possible) or exchange (availability dependent) for this product if it becomes defective within the warranty period. The business will bear the reasonable expense of claiming the warranty.

This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse or neglect.

Please retain your receipt as proof of purchase and contact our Customer Service Centre as listed below, for the entity you purchased this product from, for any difficulties with your product. Warranty claims and claims for expense incurred in returning this product can be addressed to the respective Customer Service Centre.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
