How To Make A Kawaii Light Clay Sushi

1

Take some green clay, yellow clay and red clay, roll each colour into a ball with your hands.

2

Take some white clay, roll it into a thick string-like strip.

3

Join green ball, yellow ball and red ball together. Then place the white strip around the 3 balls to form the inner of the sushi. Use your fingers to smooth the ends together.

4

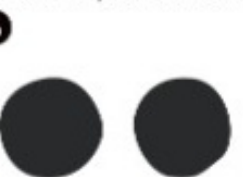

Take some white clay and a small amount of black clay. Roll them into 3 string-like strips. 2 white strips should be very thin and long. The black strip should be very thin and cut into 1 short piece for a mouth.

5

Cut the 2 long, thin white strips into small pieces and use your fingers to mould the shape of rice grains.

6

Take a small amount of black clay, roll it into 2 balls with your hands, then flatten them with your fingers.

9

How To Make Kawaii Light Clay Ramen

1

Take some white clay and roll it into a ball with your hands.

2

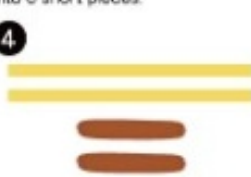

Push your thumb into the centre of the clay ball. Pinch the clay with your thumb and forefinger, starting at the bottom and turning as you go to create a bowl shape.

3

Take some yellow clay, green clay, brown clay and a small amount of pink clay. Roll each colour into string-like strips. 2 brown strips should be very thick. The pink strip should be very thin and cut into 2 short pieces. 2 yellow strips should be thin and long. The green strip should be very thin and cut into 6 short pieces.

4

Use your hands to flatten 2 yellow strips and 2 brown strips. The yellow strips should be about 3mm thick, and the brown strips should be about 5mm thick.

5

Roll up the 2 brown strips from one side to the other. Gently press to secure them in place.

Tips

Wash your hands before beginning, and prepare a clean, smooth work surface.

How To Make A Kawaii Light Clay Onigiri

1

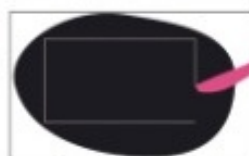

Take some white clay and roll it into a ball with your hands.

2

Use your fingers to mould the shape of a triangle rice ball.

3

Take some black clay and roll it into a ball with your hands. Use your hands to flatten it to a thickness of about 3mm. Then use the clay tool to cut a rectangular shape, as shown.

4

Take a small amount of black clay, roll it into 2 balls with your hands, then flatten them with your fingers. Take a small amount of black clay, roll it into a thin, string-like strip.

5

Place the black nori under the middle of the triangular rice ball. Then fold the nori as shown. Place 2 black eyes and 1 mouth on the front of the rice ball. Gently press to secure in place. The kawaii onigiri is finished.

7

Take some black clay and roll it into a thick, string-like strip with your hands. Use your hands to flatten it to a thickness of about 3mm. Then use the clay tool to cut a rectangular shape, as shown. The height of the nori is a little bit higher than the height of sushi.

8

Place the black piece around the sushi, and use your fingers to smooth the ends together.

9

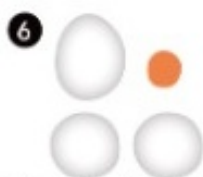

Place the grains of rice on the white part of sushi, as shown. If there's not enough rice, repeat steps 4-5 to make more. Place 2 eyes and 1 mouth on the rice. Gently press to secure in place. The kawaii sushi is finished.

Take some white clay and a small amount of orange clay. Roll the white clay into 3 balls and the orange clay into 1 ball with your hands. 1 white ball should be larger — use your fingers to mould it into the shape of an egg. Then flatten the balls with your fingers.

Place the orange piece on top of the larger white piece. Shape the pink strips into circles, as shown, then position them on the smaller white pieces. Gently press each piece to secure it in place.

Take some black clay and roll it into a ball with your hands.

Use your fingers to mould the shape of a rectangle.

Repeat steps 8-9 to make 2 pieces in total.

Place yellow noodles in the white bowl, then green spring onions on the noodles. Then 2 pieces of nori, 1 boiled egg, 2 pork and 2 fish cakes on the top. The kawaii ramen is finished.

3

Take a small amount of orange clay and a small amount of green clay, repeat step 3 and make 2 smaller pieces.

Take some brown clay, roll it into a string-like strip.

Join the orange piece and the green piece together, then place them on top of the rolled sushi. Add the brown sauce on top of the sushi, as shown. Gently press each piece to secure it in place. The kawaii sushi roll is finished.

8

第三张反面

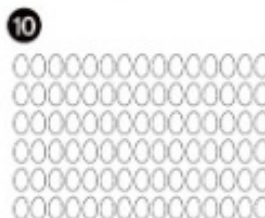

Join the orange body and orange tail fins together, as shown. Gently press to secure them in place.

Take a small amount of black clay, roll it into 2 balls with your hands, then flatten them with your fingers.

Take some white clay and a small amount of black clay. Roll them into 4 string-like strips. 2 white strips should be very thin and long. 1 white strip should be a little bit thicker and shorter for the sauce. The black strip should be very thin and cut into 1 short piece for a mouth.

Cut the 2 long, thin white strips into small pieces and use your fingers to mould the shape of rice grains.

Place the grains of rice around the white thick strip. If there's not enough rice, repeat steps 9-10 to make more. Gently press to secure in place.

5

Place the white sauce on the top of the shrimp. Gently press to secure in place.

Place shrimp on the top of the rice. Place 2 eyes and 1 mouth on the front, as shown. Gently press to secure in place. The kawaii shrimp sushi is finished.
