How To Make A Kawaii Light Clay Cactus

Take some dark brown clay and roll it into a ball with your hands.

Use your fingers to mould the soil into the shape of a pot, as shown.

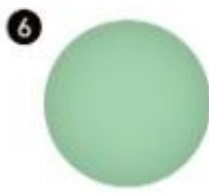

Take some brown clay and roll into a ball with your hands. Using your hands, flatten the ball until it is very thin. The size of the round piece should be the same as the bottom of the soil shape.

Take some brown clay and roll it into a ball with your hands. Use your hands to flatten it to a thickness of about 3 mm. Then use the clay tool to cut 2 shapes for the pot wall and pot rim, as shown. The height of the pot wall should be the same as the combined height of the soil and the bottom round piece.

Place the round piece under the soil. Position the pot wall and pot rim around the sides of the soil, then trim off any excess clay. Gently press to secure in place.

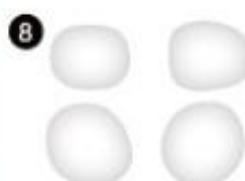

Take some green clay and roll it into a ball with your hands.

9

Repeat steps 5-6 to make 15 pieces in total.

Take a small amount of white clay and roll it into 4 balls with your hands. Then use your fingers to mould 2 smaller balls for the arms and 2 larger ones for the feet.

Take a small amount of pink clay and a small amount of black clay, roll each colour into 2 balls with your hands, then flatten them with your fingers. Take a small amount of black clay, roll it into a thin, string-like strip.

Arrange 15 round white pieces on the top of the mushroom, as shown. Gently press them to secure in place.

Place 2 black eyes, 1 mouth, 2 light pink cheeks, 2 arms and 2 feet on the front of the body. Then place the top on the body, as shown. Gently press them to secure in place. The kawaii mushroom is finished.
