- › 1 x instruction sheet

Guide Image

Tips

- › Clean the ceramic houses with a damp cloth before painting.
- › Allow each paint colour dry before painting a new colour.
- › Use the guide image for paint colour direction.

How To Paint A PYO Village

1

Begin painting the base with your desired paint colour. Follow the guide image colours or create your own design.

2

Continue painting using remaining colours, leaving paint to dry between each colour. Once the paint is dry, the PYO village is ready to display.
