## HANDLEBAR BOLTS FOR BLUE 20" HUFFY SLIDER®

Batch Numbers 34612E; 34712E; 34812E; 34912E; 35012E

(Batch numbers located on a white sticker, under the seat)

Item number: 98210Z; Blue Version

**Sold only at K Mart: 26/01/2013 – 15/02/2013**

The Huffy Slider is a three wheel ride-on sold in blue version, with blow moulded rear wheels and an oversized front tyre with a steel frame.

**Defect:** In this batch only, the bolts supplied to fasten the handlebar to the Huffy Slider® are of an insufficient length. The correct bolts should be 25mm long. 20mm bolts have been supplied. **This only applies to Huffy Sliders® with the above batch numbers and sold between the dates above.**

**Hazard:** If the handlebar with the incorrect bolt is fitted, the child using the slider may lose control and this can result in fall injuries.

**What to do:** Consumers should stop using the product immediately and contact Huffy Corporation on **free call 1800 224 094** to receive replacement bolts sent directly to you free of charge. For more information please visit [www.huffy.com](http://www.huffy.com).
