

PRODUCT SAFETY RECALL

Wooden Train
Keycode 42412144.

Available at Kmart stores between January 2017 - April 2017.

What are the defects? The screws in the train roof could become loose and fall out when the product is dropped.

What are the hazards? Small screws may pose an ingestion and/or choking hazard.

What to do? Stop using the toy train and return it to your nearest Kmart store for a full refund.

Contact Details: For more information please contact Kmart Customer Service on 1800 124 125 Monday-Friday between 7.00am-7.00pm or visit www.kmart.com.au
