

## Instruction of Homemaker Winged Clothes Airer with Garment Rack

### Warning:

Do not hang on garment rack(part 1) when it's not locked.

Max loading of garment rack(part 1) is 3kg, max loading of the wings: 8kg, max loading of bottom drying table: 3kg.

Please distribute load evenly.

Please take care when you open or fold the airer to avoid finger entrapment or injury.
