### INSTRUCTIONS FOR ASSEMBLY

1. Lay canvas fabric flat on the ground.
2. Insert the longer rails B through the pockets on the long side of the canvas fabric.
3. Insert the shorter side rails "D" through the pockets on the short side of the canvas fabric.
4. Connect rails D & B with part E as shown in the figure below.
5. Fasten the fabric using hook & loop closure.
6. Insert 4 pieces of part A into the top holes of part E as per the direction indicated on the poles (side "up" sticker on part A).
7. Connect the 2 part A poles with part F as shown in the figure below, on both sides.
8. Align the curved end of part C with the screw holes on part A and hand fasten with screws provided. Do not tighten at this stage.
9. Repeat step 8 for remaining screws.
10. Insert pole B into the inner holes of part F.
11. Use the Hex key provided to tighten all screws. Do not over tighten.
12. Cover the steel frame with the remaining fabric provided and fasten with hook and loop closure. Ensure the fabric is well tucked.
