4 in a Row

4+

years

2

PLAYERS

INCLUDES:

- 1 gameboard
- 42 wood chips
- 2 end stands

INSTRUCTIONS:**SETUP:**

- Attach the 2 end stands, one to each side of the gameboard.
- Each player takes all of the chips of one colour.

LET'S PLAY:

Youngest player goes first.

1. Each player takes turns dropping a chip into any column you choose.
Try to block your opponent from scoring 4 in a row.
2. The first player to get 4 matching chips in a row wins!

TO WIN:

Be the first to get 4 chips in a row: horizontally, diagonally or vertically, but always in a straight line.
