### NOTE:

Assemble the frame carefully and loosen the sides and hinges as they can sometimes stick together during assembly. Do not use force as this can bend and damage the wire frame.

1. Open the clasp lock of the Pet Crate.

See fig. 1, 2 and 3.

2. Fold out the sides of the Pet Crate.

See fig. 4.

## IMPORTANT

1. Read these instructions carefully and familiarise yourself with the procedure before assembling the unit.
2. Ensure you have enough space to lay out all the parts before assembly.
3. To avoid scratching it is recommended that you assemble the unit on a soft level surface.

## Care and Maintenance

### Cleaning

As with all surfaces clean with a damp cloth and mild detergent, do not use bleach or abrasive products.

### Fitting

From time to time please ensure there are no loose parts on the product.

### IMPORTANT:

All corner locks and side wall latches need to be engaged and secured before placing pet inside crate.
