PLEASE READ ALL INSTRUCTIONS CAREFULLY. ENSURE YOU HAVE ALL PARTS BEFORE STARTING TO ASSEMBLE THE TEE PEE PLAY TENT.

WARNING: KEEP AWAY FROM ALL FLAME AND HEAT SOURCES.  
NOT INTENDED TO BE USED AS A RECREATIONAL TENT.  
FOR PLAY PURPOSES ONLY.  
ADULT SUPERVISION RECOMMENDED FOR YOUNG CHILDREN.

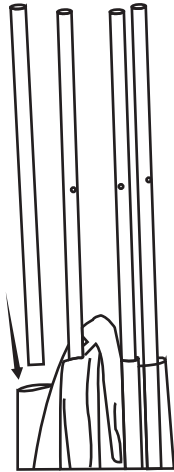

- 1) Insert the Top Pole (A) into the plastic connectors (B) like below.

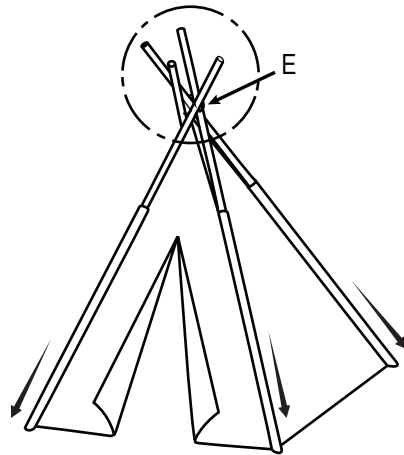

- 4) Pull the string taut. With the string attached to the tent, tie this around the white pole in between the second and third pole.

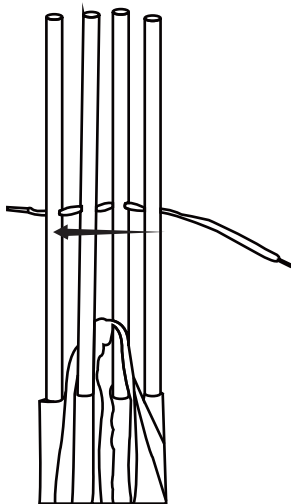

- 2) Slide poles into sleeves of the teepee fabric, one by one making sure that the holes are positioned at the top of the teepee.

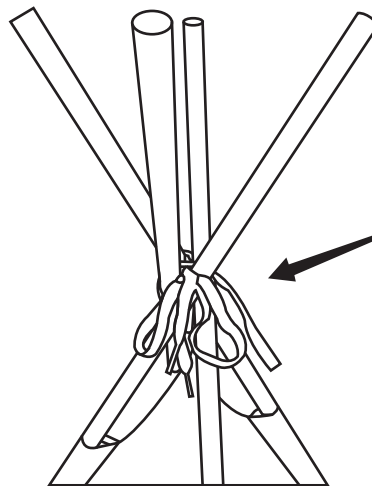

- 5) Spread the bottom corners out until they are fully extended.

- 3) With the white loose string, loop through each holes in order.

- 6) Last tie the white string into a knot to secure poles.

- ①. Pinch a bow on left and right side.
- ②. Pull the 2 bow cross.
- ③. Pull and Pluck. Pull the long side over the bow and then pluck both sides of the bow together.
- ④. Tie tension in avoid the bow loosen.
