## 3.5 Attaching to an adult chair

Place the booster seat at the center of the chair, ensuring that the chair is larger than the booster seat. Refer to page 2.  
Adjust the height of booster seat according to your needs.  
Position the booster seat tightly against the backrest of the adult chair and secure it by fastening the rear strap around the backrest of the chair.  
Then secure the bottom strap under the seat of the chair.

**Note:** Pass the end of both straps through the slot of buckle then tighten both straps by pulling on the loose ends.

**WARNING:** Before use, ensure the booster seat is correctly fixed on the chair to prevent it from moving.
