<p>CAUTION</p> <ul style="list-style-type: none"> The batteries in this product are not replaceable. During use, storage or transportation the battery should not be subjected to extremely low temperatures, or low air pressure at high altitude. If the battery is exposed to extremely high temperatures it could result in an explosion or the leaking of flammable liquid or gas. Please take care when disposing of the unit; disposal in a fire, oven, mechanically crushing or cutting machine could cause explosion. 	<p>Product overview</p> <p>Earphone Function Operation</p> <p>Pause: Press either O button Play: Press either O button Next Track: Press and hold the right O button Previous Track: Press and hold the left O button Volume Up: Press the right O button twice in quick succession Volume Down: Press the left O button twice in quick succession</p>	<p>Answer Call: Press either O button Reject Call: Press and hold either O button for 2 seconds End Call: Press either O button twice in quick succession Activating Phone Assistant: Press either O button three times in a quick succession</p> <p>Power ON/OFF and Pairing</p> <ul style="list-style-type: none"> Take both earbuds out from the charging case to turn on the earbuds. Once the earbuds are powered on, they will automatically sync and enter to pairing mode with LED indicators flashing blue and red. Search the Bluetooth list for pairing name KM43277421/ KM43277438. Select to pair with your Bluetooth device. LED indicators will automatically turn off until the earbuds are successfully connected. 	<ul style="list-style-type: none"> Put the earbuds into the charging case to turn them off. Manually Power ON/OFF earphone without charging case by pressing the earbuds button for 5 seconds. <p>Charging the Case</p> <ul style="list-style-type: none"> Connect the USB-C charging cable into the charging case. Make sure you connect the USB-A into a standard USB 5V/1A output to avoid any damage. LED indicator will flash red while the case is charging. Red light will stay on when the case is fully charged. <p>Charging the earbuds</p> <ul style="list-style-type: none"> Place both earbuds into the charging case, ensuring charging pins fully connected. LED indicator will stay red while earbuds are charging. When they are fully charged, LED indicator will turn off after 10 seconds of blue light. 	<p>Safety instructions</p> <ul style="list-style-type: none"> We recommend you fully charge the earbuds before first use. To ensure the battery life, the earbuds and charging case should be fully charged once a month. If the earbuds fail to connect to Bluetooth® device, put the earbuds into the charging case to turn them off. Make sure both earbuds are fully connected with the charging pin, turn off Bluetooth® on your device. Try to turn on the earbuds and then repeat the pairing process. The earbuds can be used with the provided charging case only.
