- › Examine devices and make sure the battery compartment is correctly secured, e.g. that the mechanical fastener is tightened.
- › Do not use if compartment is not secure.
- › Dispose of used batteries immediately and safely. Batteries can still be dangerous.
- › Batteries must NOT be exposed to excessive heat such as sunshine or fire. Danger of explosion if battery is incorrectly replaced. Replace battery with the same or equivalent type.
- › Use the device only as directed.
- › To reduce the risk of fire or electric shock, DO NOT expose this device to liquids or moisture. Do not place near vessels containing liquids of any kind.
- › Use caution when inserting/removing the plug from the electrical outlet.
- › Changes or modifications to this unit not expressly approved by the party responsible for compliance will void the user's warranty.
- › DO NOT place this unit directly on to items with soft, porous or sensitive finishes.
- › Use of the unit's remote near fluorescent lighting may cause erratic behavior. If so, move away from the source of the lighting and the remote should behave as normal.
- › SHOCK HAZARD - DO NOT OPEN. Do not remove the cover (or the back). No user-serviceable parts inside. Refer servicing to qualified service personnel.

Remote Control

BATTERY: 2 x AAA batteries required (not included)

How to use this Speaker

Connecting the AC Adaptor:

- › Connect the small end of the AC adaptor to the DC IN port on the side of the soundbar.
- › Plug the AC adaptor to the available power outlet.
- › Press and hold  button or press  on the remote control to turn on or off the soundbar.

Connection Diagram

Bluetooth Pairing:

- › Press and hold  button or press  on the remote control to switch the soundbar on to Bluetooth® pairing. The soundbar will produce sound alerts and the red indicator  light will flash to indicate it is ready to pair.
- › In the Bluetooth menu on the media device, search for “KM43277469” and connect. Type Password “0000” or “1234” if password requested.
- › You will hear a prompt sound once the soundbar is connected successfully. The red  indicator will stay on.

Line In Function:

- › Plug in the included 3.5mm to 3.5mm audio cable into the line in port, and other side into the source device.
- › Press **⏻** button on the soundbar or **MODE** button on the remote control to change to Line In mode. The red indicator **⏻** will stay on.

HDMI Function

- › Connect the HDMI cable (not included) into the HDMI ARC port located on the rear of the soundbar then plug the other side into a TV or other device with HDMI (ARC) port.
- › Press **Mode** button on the soundbar or **ARC** button on the remote control to switch to HDMI mode. The red indicator **⏻** will stay on.
- › Refer to the TV or other devices user manual for HDMI ARC output setting.

USB Function

- › Plug in USB player to the USB port at the rear panel of the soundbar.
- › Press **MODE** button on the soundbar or **MODE** on the remote control to change to USB Mode. The red indicator **⏻** will display.

Note:

- › *When Line In and USB is plugged in at the same time, it will play USB driver automatically*
- › *USB port can not be used to charge other device through a cable.*

Specification:

Pairing Name: KM43277469

Bluetooth® Version: V5.2

Working Distance: 10 Metres

Output Power: 40W

Powered by AC Mains

Frequency Response: 20Hz-20kHz

AC Adaptor Model: 43157198

For use with anko Audio/Video & IT Equipment

Power Input: 100-240V~, 50-60Hz, 1.5A

Output: 13V= 3.5A

USB Output: 5V=150mA (*no charging function*)

12 Month Warranty

Thank you for your purchase.

Your new product is warrantied to be free from defects in materials and workmanship for the period stated above, from the date of purchase, provided that the product is used in accordance with accompanying recommendations for instructions where provided. This warranty is in addition to your rights under the Australian Consumer Law. For New Zealand customers, this warranty is in addition to statutory rights observed under New Zealand legislation.

We will provide you with your choice of a refund, repair (where possible) or exchange (availability dependent) for this product if it becomes defective within the warranty period. The business will bear the reasonable expense of claiming the warranty. This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse or neglect.

Please retain your receipt as proof of purchase and contact our Customer Service Centre as listed below, for the entity you purchased this product from, for any difficulties with your product. Warranty claims and claims for expenses incurred in returning this product can be addressed to the respective Customer Services Centre.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
