Crochet Placemat Instruction Manual

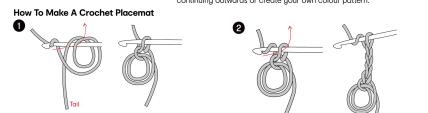

Kit Includes:

- 5 x crochet yarn colours
- 1 x crochet hook
- 1 x instruction sheet

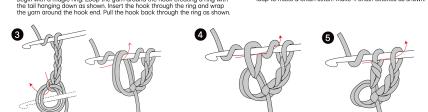

Tips:

- > Make a magic ring to start your base.
- > Find many great video tutorials online to assist with stitches and methods.
- > Create a loose weave by not pulling the stitches too tightly.
- > Follow the colours on the guide image beginning at the centre and continuing outwards or create your own colour pattern.

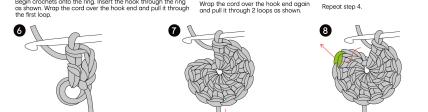

How To Make A Crochet Placemat

Select the first colour which will be at the centre of the crochet square. Begin with a magic ring. Loop the yarn around the hook creating a ring with the yarn. Wrap the cord over the hook end again and pull it through the ring. Wrap the cord over the hook end again and pull it through the loop to make a chain stitch. Make 4 chain stitches as shown.

Begin crocheting onto the ring. Insert the hook through the ring as shown. Wrap the cord over the hook end again and pull it through the loop to make a chain stitch. Make 4 chain stitches as shown.

The first treble crochet finished.

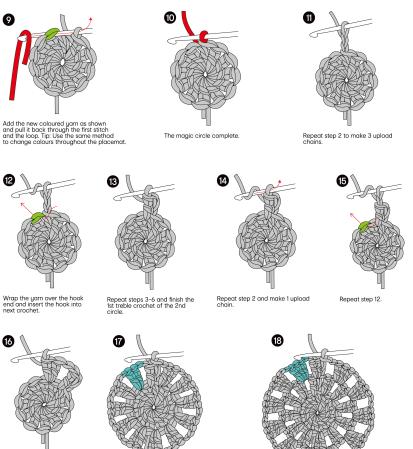

Repeat step 4.

To connect the circle, insert the hook into the next group and pull the cord through the loop behind 2 groups as shown.
