## Risk of suffocation! Keep any packaging materials away from children

- Read the instructions carefully prior to assembling the product.
- Carefully remove all packaging materials and retain for future use.
- Adult assembly required
- Choose a clean, level, spacious assembly area. Avoid hard surfaces that may damage the product.
- Ensure that you have all required contents for complete assembly.
- Take care when lifting.
- Assemble the product in close proximity to where you intend to position the item.
- When you have finished assembling the product, place it on a flat surface and make sure it is stable before use.
- Keep the younger children away while assembly the chair and stool to avoid any potential hazards.

**Cleaning & Maintenance**

- Keep the product away from direct heat and sunlight.
- Prolonged exposure to heat sources may cause glazing, melting and scorching, or even cause colour to fade.
- Regular vacuuming or light brushing helps to remove dirt and prevent soil build-up, which increases the appearance wear.
