Assembly Instruction

Step 1: According to the accessories shown in the picture above, assemble the basketball hoop in order.

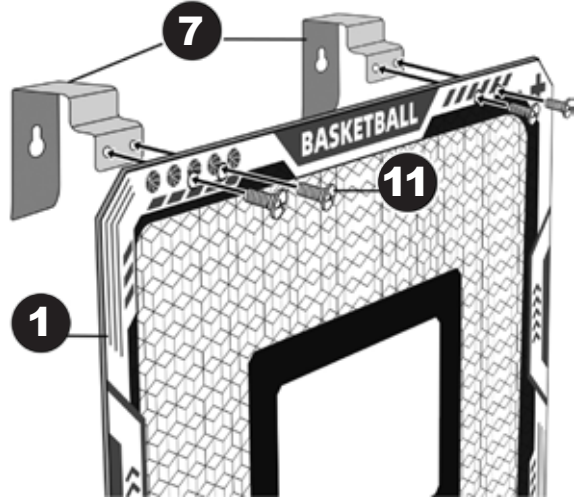

Step 3: Insert the plug on the light circle into the interface of the scorer.

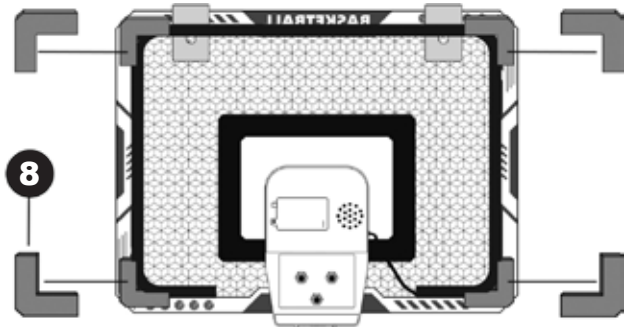

Step 2: As shown in the picture above, use the short screws to assemble the hook.

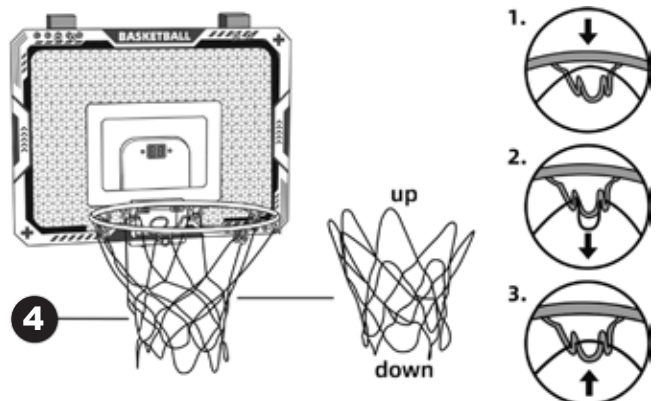

Note: When assembling, the first screw cannot be tightened too tightly, otherwise the other hole and the hole of the basketball board will not match.

Step 4: Tear off the double-sided tape on the cushion, and stick the cushion on the back of the basketball hoop. (Paste the shock-absorbing cushion according to the direction and position shown in the figure).

Step 5: Hang up the basket net, the assembly is complete.
TIP: The long circle of the basketball net is upward.

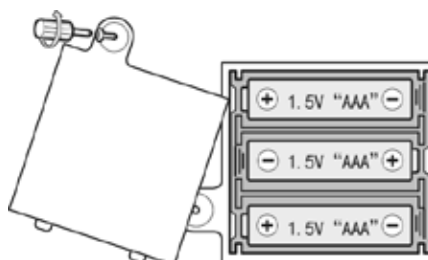

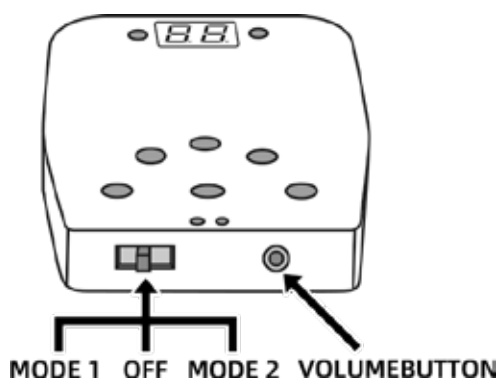

Electronic Scoreboard

Mode 1: SCORING MODE, 2 points for scoring a goal, automatically reset to zero when 60 points are reached.

Mode 2: Countdown mode, one minute countdown. After the countdown ends, a new round of countdown will automatically restart.

Volume adjustment: The default volume is the maximum, press the volume key to set the volume, the order is from large to small, small to large.

**ELECTRONIC SCOREBOARD USES
3X 1.5V "AAA" SIZE BATTERIES**
