Block puzzle

Instructions

Contents: 1 frame base, 49 puzzle blocks.

HOW TO PLAY

Players slide puzzle blocks into place to form complete horizontal lines. It's an engaging and enjoyable experience for both solo and two-player modes!

Solo Challenge

Set a timer (e.g. 3 or 4 minutes) and try to fill the stand as much as possible within the time limit. The goal is to completely fill the space without leaving any gaps.

Two-Player Race

The frame base has a total of 10 columns, with each player assigned 5 columns as their own area. Both players place blocks simultaneously, and the first to completely fill their 5 columns without any gaps wins the game.
