### Bluetooth connect instructions:

Long press the power switch until the voice prompt says "Bluetooth paired." (Bluetooth mode: FA-219)

The device is now ready to connect, and you can play music from your mobile phone, tablet, or other portable audio device.

### Warning:

1. Read all instructions carefully and ensure they are fully understood before using the Bluetooth speaker and lantern.
2. Do not shine the lantern directly into eyes.
3. Do not drop the device.
4. Use only the designated charging interface. Do not charge near water or in damp environments.
5. Do not place near fire or other heat sources, as the battery may explode.
6. The battery must be recycled or disposed of according to local regulations.

### Care Instructions:

#### Cleaning

Wipe the exterior with a soft, dry cloth.  
Do not immerse in water or use harsh chemicals.

#### Storage

Store in a cool, dry place when not in use. Avoid direct sunlight or high humidity environments.

#### Battery Maintenance

Recharge periodically to maintain battery health.
