20MP 4K Digital Camera
Instruction Manual

K: 43635962| T: 71802510 Model: JLR-81224

Please read this manual carefully before using the product and retain for future reference.

Package contents:

1x Digital Camera
1x Instruction Manual
1x Camera bag
1x Lanyard
1x USB-C Cable (Type A to Type C)
1x 32GB microSD Memory Card (Pre-installed)

### Product Specifications:

2.8-inch LCD screen
Input rating: 5V ~ 1A
Video file format: .MOV
Photo file format: .JPG
Up to 18x digital zoom
Up to 4K video resolution
Up to 20MP image resolution
Expandable microSD card slot up to 128GB (32GB microSD memory card included)
Battery capacity: 3.7V, 2000mAh rechargeable lithium-ion battery (non-replaceable)

Important Safety Information

➢ Replacement of a **battery** with an incorrect type can defeat **safeguard** (for example, in the case of some lithium **battery** types);
➢ Disposal of a **battery** into fire or a hot oven, or mechanically crushing or cutting of a **battery**, can result in an **explosion**;
➢ Leaving a **battery** in an extremely high temperature environment that result in an **explosion** or the leakage of flammable liquid or gas;
➢ A **battery** subjected to extremely low air pressure that may result in an **explosion** or the leakage of flammable liquid or gas.
➢ This product contains a **rechargeable lithium-ion battery** (non-replaceable).
➢ Do not leave the device connected to the charger for extended periods.
➢ Avoid exposing the device to high temperatures or direct sunlight for prolonged periods.
➢ Do not allow the battery to fully discharge before recharging.
➢ Do not disassemble, crush, puncture, or modify the battery or device.
➢ Handle with care and avoid strong impacts or dropping.
➢ Do not charge the device unattended.

Product diagram

Buttons Instructions:

No	Button/Part	Function
1	Lanyard Hole	Attach wrist strap
2	Mode Button	Slide up: Photo Album slide down: Shooting mode
3	Indicator Lights	blue: power on Red: charging
4.	Reset Button	Push with a pin if device is unresponsive
5	Power Button	long press: Power on/off short press: Screen backlight on/off
6	Mounting Bracket Port	Fit 1/4" Screw Threaded Stand Mount (not included)
7	Memory Card Slot	Supports 8GB~128GB microSD (card not included)
8	USB Type-C Port	Charging via provided cable. Use certified 5V/1A (or higher) adapter (not included). Computer USB charging is slower.

20	Photo Button	Capture photo
21	Speaker	Audio output
22	Flashlight	Fill light for photos/videos
23	Lens	Digital zoom lens

OPERATION INSTRUCTIONS

Prepare to Use
Install the memory card
Insert the microSD card as shown until it clicks into place.

Usage tips:
➢ The camera requires a memory card to operate.
➢ Format the card in the camera before first use.
➢ Do not remove the card while the device is on, to prevent damage or data loss.
➢ Use a high-speed (U3 or higher) microSD card for best performance.

Charge the Product
➢ Charge fully before first use.
➢ Use the provided USB-C cable with a certified 5V/1A (or higher) adapter (not included).
➢ The red indicator light stays on while charging and turns off when fully charged.
➢ Charging time: approx. 3 hours.
➢ Charge the device at least once a month to maintain battery health.

Power on/off

➢ Insert a memory card before using the camera.
➢ Long press the Power button for 3 seconds to turn on or off.
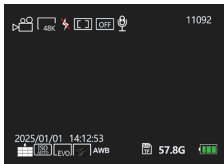

Device Defaults (No Operation)

➢ Screen turns off after 1 minute.
➢ Device powers off after 3 minutes.
➢ To adjust these settings: enter **Settings > Screensaver/ Auto Shutdown**, select a time, then press OK to save.

How to take photos

➢ Set the Mode Button to **Shooting**.
➢ Short press the **Photo button** to take a picture.
➢ Use the **[T/W] buttons** to zoom in/out.
➢ Use the **Up button** to enable/disable flash.
➢ Use the **[Left (<) / Right (>)] buttons** to apply filters.
➢ Use the **Down button** to set time-lapse (3s/5s/10s/20s).
➢ To enable Selfie mode, go to **Settings > Selfie Mode**.

How to record a video

➢ Set the Mode Button to **Shooting**.
➢ Short press **MENU button** to switch to Video mode.
➢ Short press the **Video button** to start/stop recording.
➢ Use **[T/W] buttons** to zoom.
➢ Use the **Up button** to enable fill light.
➢ Use the **[Left (<) / Right (>)] buttons** to select filters.

How to view/delete files

➢ Set the Mode Button to **Photo Album**.
➢ Use **[Left (<)/Right (>)] buttons** to browse files.
➢ For photos: use **[T/W] buttons** to zoom; use **[Up/Down/Left/Right] buttons** to move view.
➢ For videos: Short press OK to play/pause; adjust volume (0~8) with **Up/Down buttons**; Long press **[Left (<)/Right (>)] buttons** to fast-rewind(-2x)/fast-forward (2×).
➢ To delete: Short press **MENU button**, confirm with OK.

Note: Deleted files cannot be restored. Back up important data.

How to Enter the Settings Menu/Save Settings

➢ Ensure the camera is not recording.
➢ Set Mode Button to **Shooting**.
➢ Long press **MENU button** to open Settings.
➢ Select from three menus:
· **Photo Settings**
· **Video Settings**
· **System Settings**
➢ Navigate with **Up/Down**, confirm with **OK**, return with **MENU**.

Battery not charging	Unsupported charger	Use a certified 5V/1A (or higher) USB power adapter

12 Month Warranty

Thank you for your purchase.

Your new product is warranted to be free from defects in materials and workmanship for the period stated above, from the date of purchase, provided that the product is used in accordance with accompanying recommendations or instructions where provided. This warranty is in addition to your rights under the Australian Consumer Law.

For New Zealand customers, this warranty is in addition to statutory rights observed under New Zealand legislation.

We will provide you with your choice of a refund, repair (where possible) or exchange (availability dependent) for this product if it becomes defective within the warranty period. The business will bear the reasonable expense of claiming the warranty.

This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse or neglect.

Please retain your receipt as proof of purchase and contact our Customer Service Centre as listed below, for the entity you purchased this product from, for any difficulties with your product. Warranty claims and claims for expense incurred in returning this product can be addressed to the respective Customer Service Centre.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage.

You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
